From the Desk of Principal

It is a sheer delight to know that the current edition of the News Bulletin of Dispur College is going to be published. The present venture, as further extension of the previous expressions which is the most representative of all the relevant activities of the college focusing our mission and vision. The road ahead is full of challenge. But I earnestly hope that commulative support of each and every member of the college will made it possible. I am sure that sincere efforts of the fellow colleagues and students would make the news bulletin worthy and also enhance involvement.

With best wishes to all of you.

(Dr. Amar Saikia)
Principal

Editorial

It is our proud privilege that Dispur College is the only college from Assam to get a NIRF in the rank band : 151 - 200 in the college category in a recent release by the Ministry of Human Resource Development, Govt. of India in its fourth edition of the National Institutional Ranking and the college awarded in the same rank band during NIRF ranking in 2018. Having established during seventies the college has been striving hard with the constraining forces from nascent stage to reach its present status. No doubt during this period of transition, which I presume has been very tough and challenging, We congratulate one and all for standing rock solid with the institution during this period of struggle. Hope the immense effort / endeavour, sincerity and passion put forth by all of us will certainly help Dispur College grow and succeed in the days to come. Let us all participate to our strengths and help the college scale new heights as an institution of higher learning.

The current edition of the News Bulletin is published combining three periods (July, 2017 to Dec' 2018) featuring key events and activities and glimpse into the life of college campus.

It is all the more true that news bulletin is an institutional publication wherein the goals and achievements of the stake holders are inscribed with the view to instill a moral boost towards professionalism. This edition of the bulletin will sprinkle multifacted flavours in every arena of our institution. I take this opportunity to thank all those who extended full support and cooperation in bringing out the issue of the news bulletin. I am really grateful to our respected principal Dr. Amar Saikia for the generosity and trust bestowed upon me assigning the job of editorship of this edition. I am indeed thankful to all the HOD and faculty members of various departments and especially to Dr. Ajoy Mitra, Coordinator, IQAC, who made our task easy by providing information of various activities that took place during the period.

With best wishes
