Tongue Twister challenge by K-pop idols (Hindi & Russian) 🎤 | X:IN X FANTALK2

Separating the wheat from the chaff

I hope the Yoon administration uses the memoir to reflect on its own foreign policy and refine foreign strategy.

Can Gen MZ shake the regime?

The government must draw up its North Korea policies tailored for members of Gen MZ.

If not an incompetent government, what else?

The role and competitiveness of the government have become imperative during the industrial transition period.
