Over 40 Indians among 49 dead in Kuwait building fire

Most of them workers from Kerala | Govt rushes MoS to extend help

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12

Over 40 Indians, most of them employed as labourers, were among 49 persons killed as a massive fire engulfed a multi-storey building housing foreign workers in southern Kuwait on Wednesday.

Officials said the death toll could rise as the condition of several of the injured, who were admitted to various hospitals, was stated to be critical.

The Indian Government, in a swift response, despatched Union Minister of State for External Affairs Kirti Vardhan Singh to Kuwait to coordinate with the authorities there on assistance to the injured and early repatriation of the mortal remains of those killed.

Sources said almost all Indians killed were from Kerala. The fire started in a kitchen in the six-storey building in Mangaf area of Kuwait's southern Ahmadi Governorate around 4.30 am, officials said. Most deaths were due to smoke inhalation while residents were sleeping, and a significant number of occupants were evacuated, they said. Construction firm NBTC Group had rented the building to house nearly 200 workers, most of them from Kerala, Tamil Nadu and northern states, the Kuwaiti media said.

Smoke billows from the Kuwait building where the tragedy struck. PTI

Kuwait has a 10 lakh strong Indian diaspora, who form nearly 20 per cent of the country's population. Nearly 1,000 Indian doctors, 500 dentists and 24,000 nurses

are employed in Kuwait, as per officials.

Prime Minister Narendra Modi announced an ex gratia of Rs 2 lakh each to the families of the Indians killed in the fire. Modi, who described the fire incident as "saddening", reviewed the situation arising out of it at a meeting with External Affairs Minister S Jaishankar, NSA Ajit Doval, Foreign Secretary Vinay Kwatra and Principal Secretary to the PM PK Mishra, among others. "My thoughts are with all those who have lost their near and dear ones... The Indian Embassy in Kuwait is closely monitoring the situation and working with the authorities there to assist the affected," PM Modi said on X. He chaired the meeting upon his return from Andhra Pradesh and Odisha where he had gone to attend the swearing-in ceremonies of the new state governments.

External Affairs Minister S Jaishankar, who spoke to Kuwaiti Foreign Minister Abdullah Ali Al-Yahya, said the Indian Embassy would render the "fullest assistance" to all concerned. Congress chief Mallikarjun Kharge expressed "deepest condolences" to the families of those killed and urged the External Affairs Ministry to

Won't be easy for Cong to regain RS seat as cross-voting fear looms

BHARTESH SINGH THAKUR
TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12 With Deepender Hooda getting elected as Lok Sabha MP from Rohtak, his Rajya Sabha seat has fallen vacant. But this time, it will not be easy for Congress to win back the seat as Jannayak Janta Party (JJP) MLAs and the Independents can go either way.

In 2020, Deepender was elected unopposed to the Upper House of Parliament. His tenure was till 2026.

In the present scenario, the BJP has the support of more MLAs. However, if MLAs from JJP, Independents and single-member parties choose to cross-vote, the result can go either way.

As per Section 69 (2) of the Representation of the People Act, 1951, if "a person who is already a member of the Council of States (Rajya Sabha) and has taken his seat in such Council is chosen a member of the House of the People, his seat in the Council of States shall, (on the date on which he is so chosen),

MLA CAN'T BE DISQUALIFIED FOR CROSS-VOTING

There is an open ballot system in Rajya Sabha poll. An MLA cannot be disqualified from Vidhan Sabha for crossvoting in the RS poll. According to a Supreme Court judgment, "he may at the most attract action from the political party to which he belongs"

become vacant".

So, after Deepender Hooda was elected Lok Sabha MP from Rohtak on June 4, the seat has been vacant.

For a byelection to Rajya Sabha, the Election Commission has to issue a notification under Section 147 of the Representation of the People Act. The Act also

adds that a byelection for filling any vacancy shall be held "within a period of six months from the date of the occurrence of the vacancy".

So, there is all likelihood that the election to the Rajya Sabha will take place before the next state Assembly poll.

After the election of Mullana Congress MLA Varun Chaud-

hary to the Lok Sabha from Ambala, the Haryana Vidhan Sabha strength has been reduced to 87 MLAs. The majority mark is 44 members.

The JJP has 10 MLAs but it is a broken house. Two of its MLAs have pledged their support to the BJP. One of its MLAs, Devender Singh Babli, had supported the Congress in Lok Sabha poll while its Shahabad MLA Ram Karan Kala's two sons had joined the Congress earlier. Another vocal MLA from JJP, Ram Kumar Gautam, is also critical of JJP leadership.

As of now, the Congress has 29 MLAs. Plus, it has the support of three Independent MLAs, taking the tally to 32.

On the other hand, the BJP has 41 MLAs and along with the support of the Haryana Lokhit Party's (HLP) lone MLA, Gopal Kanda, and an Independent, Nayan Pal Rawat, the party has 43 MLAs on its side.

The Indian National Lok Dal (INLD) having one MLA, Abhay Chautala, and Independent Balraj Kundu have so far

positioned themselves against the BJP.

Several MLAs of JJP can jump the ship and can cross-vote as they would be seeking ticket from the BJP or Congress in the coming state poll. "It is going to be a very interesting election as the picture is not clear," said Congress chief whip BB Batra.

There is an open ballot system in Rajya Sabha poll. An MLA cannot be disqualified from Vidhan Sabha for cross-voting in the Rajya Sabha poll.

The Supreme Court in its judgment dated August 22, 2006, in the matter of Kuldip Nayar Vs Union of India and Ors observed that "The contention that the right of expression of the voter at an election for the Council of States (Rajya Sabha) is affected by open ballot is not tenable, as an elected MLA would not face any disqualification from the Membership of the House for voting in a particular manner. He may at the most attract action from the political party to which he belongs."

Dabwali SP transferred to Panchkula headquarters

SIRSA, JUNE 12

Dabwali's Superintendent of Police Sumer Singh was today transferred to Panchkula headquarters with immediate effect. Directives were issued by the state's Home Department in this regard. Sumer Singh was posted as Dabwali SP on September 15, 2023.

It's worth noting that discussions about administrative changes at a larger scale were in the air after the Lok Sabha elections. This was also hinted at by Chief Minister Nayab Singh Saini. Meanwhile, it has been learned from sources that major administrative reshuffles could be seen in the state soon. — OC

Ahead of rains, flood fear grips residents along Tangri banks

NITISH SHARMA
TRIBUNE NEWS SERVICE

AMBALA, JUNE 12 As the monsoon nears, the residents living in the colonies situated on the Tangri river bed and along the river are a worried lot. Tangri is a seasonal river and it swells when there is heavy rainfall in the Shivalik region. Last year, the overflowing river had left a trail of large-scale damage.

Deepak Dhiman, a resident of Rampura area, said, "The land in Tangri river belongs to the people and they can use it for agricultural purposes only. But a number of people have got structures constructed due to which the size of the riverbed has shrunk over the years, creating obstacles in the smooth flow of water. Last year, people living in the nearby colonies and industrial areas witnessed floods and suffered losses worth crores. We request the departments concerned to

A view of the Tangri river in Ambala Cantonment.

clear the riverbed on time to ensure that the water remains in the river."

Alok Sood, executive member of the Ambala Scientific Instruments Manufacturers Association, said, "After floods, there was an announcement regarding the construction of a bundh on Tangri river to protect the industrial area, but the project is yet to begin. Mining in Tangri river was banned several years ago due to which the level of sand has increased in the river, leaving insufficient

Despite NGT order, illegal dyeing units still functional

BIJENDRA AHLAWAT
TRIBUNE NEWS SERVICE

FARIDABAD, JUNE 12

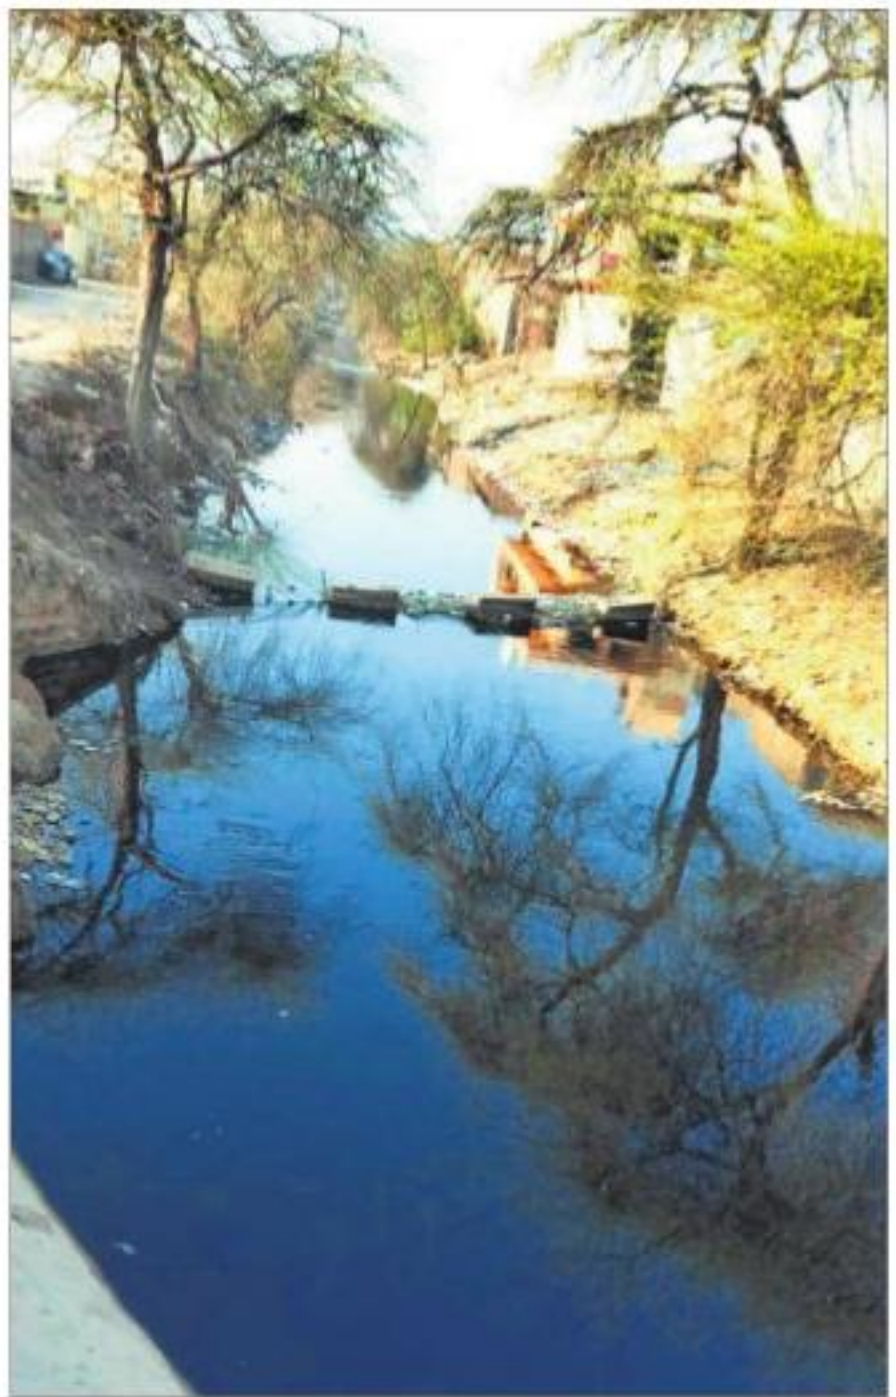

While the Haryana State Pollution Control Board (HSPCB) is due to submit the Action-Taken Report (ATR) with the NGT next month regarding the action taken against illegal dyeing units, violations are still on at the ground, it is reported.

The HSPCB had sought a report from the Dakshin Haryana Bijli Vitran Nigam (DHBVN) regarding the power supply connections to such units after the NGT had issued directions on April 5.

As the HSPCB had been given eight weeks to submit its report, it is claimed that some of the units haven't closed down despite the directions and had been operational in violation of the pollution norms. Varun Gulati, a resident who had lodged a petition with the NGT in 2022, claimed that many units operational in the area of Kuta farm, Dheeraj Nagar and Surya Vihar area of Greater Faridabad had been releasing untreated chemical waste into the drains or in the open in gross violation of norms.

He said though the department concerned has to submit its reply with the NGT next month, no action has been taken on the ground so far. Fresh evidence of the ground position would be presented before the NGT, he said.

The petitioner had alleged that a large number of illegal dyeing units had been functional in the residential areas of NCR including Faridabad, Gurugram, Bahadurgarh and Sonapat. Unabated operation of the highly polluting 'Red category' dyeing units in the city had been a prominent

Industrial effluents discharged by dyeing units in a Faridabad colony.

cause of water pollution. The DHBVN, which is also a respondent in the case, is to submit the details of the number of disconnections of power supply done to such units before the NGT.

The NGT had asked for a survey by a joint team of officials of various departments. It had been alleged that the dyeing units had failed to install sewage treatment plant or effluent treatment plant or other anti-pollution devices, resulting in discharge of untreated and toxic effluents in the open or in drains, posing

a serious health hazard.

While the ease of electricity connections and inaction on part of the administration has been described as major reasons behind the problem, a fresh complaint based on drone survey had alleged that the units were still functional.

Sandeep Singh, Regional Officer, HSPCB, said while the majority of units have been shut, some of these may be posing a problem due to their temporary and shifting nature. A survey by a joint team of various departments is expected soon, it is added.

Police oppose discharge plea of Sandeep Singh

RAMKRISHAN UPADHYAY
TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12

The Chandigarh Police have opposed discharge application filed by Haryana's former minister Sandeep Singh in an alleged molestation case registered two years ago.

The police registered a case against the minister on the complaint of a junior woman coach on December 31, 2022 in Chandigarh. In the complaint, the coach alleged that the former minister had molested her at his official residence on July 1, 2022. When she resisted, he pushed her and tore her T-shirt also. She, however, managed to escape.

The police have already filed the chargesheet against Sandeep Singh for the offences punishable under Sections 342, 354, 354-A, 354-B, 506, 509 of the IPC.

The police in the reply filed before a Chandigarh court said keeping in view the sensitivity of the case, a Special Investigation Team was formed for further investigation.

Sandeep Singh was serving as Minister of Sports and Youth Affairs Haryana at the time of the alleged incident and at the time of the complaint. During the investigation, it came to light that the victim is a junior coach in the Haryana Sports Department and was appointed on September 2, 2022, under the Haryana Outstanding Sports Person Rules 2021.

The police claimed in the reply that the alleged incident took place at the official residence of the former minister in Chandigarh. The woman alleged she was unfairly transferred to Jhajjar, which led her to file the complaint.

The police said the victim has maintained her primary allegations in all her statements and has also corroborated

MOLESTATION CASE

■ The police registered a case against the former minister on the complaint of a junior woman coach on December 31, 2022 in Chandigarh

■ In the complaint, the coach alleged that the former minister had molested her at his official residence on July 1, 2022

rated the same in her statement under Section 164 CrPc. While identifying the scene of the crime, the victim was familiar with the place and pointed out key places. Key witnesses have further corroborated that immediately after the incident, she confided in them about being sexually harassed by the accused. CFSL examination points towards an informal relationship between the accused and the victim, going beyond professional conduct. The police prayed before the court that keeping in view the above facts the application of accused Sandeep Singh may be dismissed and he be put to trial after framing of charges. Deepanshu Bansal, advocate appeared on behalf of the complainant, also opposed the application of the accused. Advocate Siddharth Pandit, counsel of the accused Sandeep Singh, argued the accused was falsely implicated in the case.

Scientific apparatus makers seek govt support for revival

NITISH SHARMA
TRIBUNE NEWS SERVICE

AMBALA, JUNE 12

Striving for revival, the scientific apparatus manufacturers in Ambala are seeking favourable policies and government support for the local scientific industry to tide over the challenges posed by China.

The manufacturers believe the Ambala scientific instruments industry has lost its competitive edge due to lack of government's support and advanced technology.

Gaurav Soni, general secretary of Ambala Scientific Instruments Manufacturers' Association (ASIMA), said, "China has captured a big share of the Indian market over the years as it provides products on cheaper rates due to the advantage of mass production. The Ambala's industry can play a vital role in the government's

OVER 2,000 UNITS IN AMBALA

- There are over 2,000 units in Ambala Cantonment which are engaged in the manufacturing of glassware, electronics products, educational instruments and other scientific apparatus
- These industries have an annual turnover of over ₹3,000 cr

Make in India initiative, but the government should simplify its schemes and policies, and there should be no discrimination in subsidies on the basis of urban and rural areas."

The project of establishing a tool room is pending for the past several years in Ambala and we demand that the ASI-MA should be involved while developing the tool room. The industry has a long-pending demand of a mini industrial area as well. We will request the newly elected Ambala MP to raise the issues of the industry with the Central government," he added.

Umesh Gupta, president of

Scientific Apparatus Manufacturers and Exporters (SAME), said, "Glass tubing, glassware products, microscope, fiberglass models and other products are coming from China. A number of manufacturers in Ambala have become traders and they are just importing and selling the products due to lack of government aid, automation and advancement. Some favourable policies and government support can help in the revival of the local industry." Meanwhile, newly elected Ambala MP Varun Chaudhry said, "I will soon hold a meeting with the manufacturers and raise their demands in the Lok Sabha."

State police lead in blocking phone numbers used in cybercrimes

TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12

The Haryana Police have secured the top position in the country in blocking mobile phone numbers used in cybercrimes. According to the National Cyber Crime Reporting Portal, the state police have blocked 1,11,349 mobile phone numbers so far.

Between January 1 and April 30, a total of 5.46 lakh mobile phone numbers used in cybercrimes were blocked nationwide and 1,11,349 (nearly 20 per cent) of these were blocked by the state police. Consequently, the state police have emerged national leader in blocking the mobile phone numbers used in cyber frauds.

The state police every day arrest around 11 cybercriminals on an average. DGP Shatruijeet Kapur said cybercriminals constantly devised new methods to defraud people. From January 1 to May 31, the state police arrested 1,668 cybercriminals. Of these, around 400 belonged to Haryana, while around 1,200 were apprehended from cybercrime hotspots of Assam, Rajasthan, Jharkhand, Uttar Pradesh, and other states.

Over 1.8 lakh govt jobs lying vacant in state

1.25 lakh contractual staff working in various depts

PRADEEP SHARMA
TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12 In the backdrop of over 1.8 lakh regular posts lying vacant in Haryana, nearly 1.25 lakh contractual employees are powering the functioning of the Haryana Government.

In fact, the contractual staff play a major role in manning several crucial departments, including health, education, power, urban local bodies (ULB) and public health engineering (PHE).

Data showed that nearly 1.05 lakh contractual employees were registered with the Haryana Kaushal Rozgar Nigam Limited (HKRNL). Of these, nearly 15,000 are employed in the Health Department, 13,000 in the Power Department, 8,000 in the ULB Department, 8,000 in the PHE Department, 5,000 in the Haryana Shehri Vikas Pradhikaran (HSVP) and 5,000 in the universities.

While 5,000 contractual staff working with the Education Department are registered under the HKRNL, over 14,000 guest teachers working on the contractual basis are also working in the Education Department. Besides these, at least 2,000 employees working on contractual basis in

STAFF OVERWORKED, UNDER STRESS

In view of thousands of vacant posts, neither the unemployed youths are getting employment nor are the citizens getting satisfactory services. The existing staff are overworked and under stress

— Subhash Lamba, President, All-India State Government Employees Federation

STATE OF EMPLOYMENT	
Total sanctioned posts	4.5 lakh
Regular employees	2.7 lakh
Vacant posts	1.8 lakh
Contractual staff	1.25 lakh
Registered under HKRNL	1.05 lakh

JOB SEARCH

various departments are either registered under the HKRNL or working directly under the departments.

Haryana has about 2.7 lakh regular staff working against total sanctioned posts of about 4.5 lakh. In fact, the regular staff have been declining over the years even as the population has registered a substantial increase. In 1980, the Haryana Government had about 4 lakh employees as against a population of 1.25 crore, which has come down to 2.7 lakh for a population of around 2.9 crore, alleged Sub-

hash Lamba, president, All India State Government Employees Federation.

However, a senior government functionary claimed the recruitment process to fill thousands of government posts, which was delayed due to the model code of conduct for the Lok Sabha elections, was being expedited. In the next about three months, various government departments would recruit thousands of employees mitigating the shortage of employees in these departments, he added.

State govt wakes up, Solid Waste Exigency declared in Gurugram

SUMEDHA SHARMA
TRIBUNE NEWS SERVICE

GURUGRAM, JUNE 12 As the prolonged sanitation crises visibly impacted the vote share of the BJP in Haryana and local MP Rao Inderjit Singh called out the state government over the issue, the Haryana Government has declared "Solid Waste Exigency" in Gurugram.

Gurugram contributes around 70 per cent of the total revenue of the state and is home to top MNCs in the country.

The city has been in the news for the sanitation crises over the past two years with waste management virtually collapsing. Already struggling with Bandhwari landfill, the city has been battling garbage mounds in every nook and corner due to consistent strikes by sanitation workers and no concrete treatment plan.

The city has been titled "Kuragram" online and is struggling with over 12 lakh metric tonnes of waste including debris. With many residents boycotting the election and voting against BJP government citing the situation, the government has finally woken up and announced exigency.

Haryana Chief Secretary TVSN Prasad who is also Chairman of the Executive

The garbage dump at Bandhwari landfill in Gurugram. FILE PHOTO

Committee of the State Disaster Management Authority (SDMA) said that due to the alarming levels of untreated waste in Gurugram which are adversely affecting the environment and public health, the state government has declared a municipal solid waste exigency in Gurugram under Section 22 of the Disaster Management Act, 2005. In order to address the critical waste management issues, SWEEP (Solid Waste Environment Exigency Program) has been initiated.

As per the plan, SWEEP, spearheaded by a high-level committee including the Divisional Commissioner, Deputy Commissioner, Municipal Commissioner, Chief Engineer of Gurugram Metropolitan Development Authority (GMDA), Senior Environmental Engineer of Haryana State Pollution Control Board and the Deputy Commissioner of

Police (HQ), aims to overhaul waste management in Gurugram. "The committee is tasked with implementing a three-tier system for waste collection, segregation, transportation, processing and disposal across all 35 wards of Gurugram and GMDA areas," said Prasad.

According to the Authority, this move comes in response to the Supreme Court's order on May 13 and the National Green Tribunal's (NGT) observations, which emphasised the urgent need for a cleaner environment as a fundamental right under Article 21 of the Constitution of India. The Supreme Court noted that untreated solid waste severely impacts the environment and infringes on citizens' right to live in a pollution-free environment. The NGT had previously described the situation as an environmental emergency.

For overstaying at govt house, HPS officer fined ₹39.2 lakh

CHANDIGARH, JUNE 12

After IG Telecommunication Y Pura Kumar complained about police officers retaining government accommodation at a station despite transfers out of districts, HPS Aman Yadav has been imposed a penal rent of Rs 39.2 lakh.

Previously, a penalty of Rs 21.3 lakh was imposed on Yadav, who is posted as ACP Crime in Faridabad, for overstaying in government accommodation in Gurugram from October 3, 2022, to June 30, 2023. However, he did not vacate the house. The penalty was revised to Rs 39.2 lakh for overstaying from December 3, 2022 to February 29, 2024.

The communication to Yadav, dated April 9, issued by DCP (HQ) Gurugram, Deepak Gahlawat, stated, "It is therefore directed to vacate the above said government accommodation and deposit the penalty rent amount mentioned above in the government treasury under the appropriate head, under intimation to this office."

Subsequently, Yadav submitted a representation seeking waiver of the penalty rent. The Commissioner of Police, Faridabad, wrote to DGP Haryana on June 6, stating that Rs 1 lakh had been deposited towards the penalty rent, and an amount of Rs 25,000 was deducted from his May salary.

"I have submitted a representation in this regard. It is an internal matter of the department," said Yadav. He clarified that this was not a case of double house allotment.

IG Y Pura Kumar has been pursuing the matter of police officers retaining government accommodation even after their transfers. In one of the complaints to the DGP, he mentioned that it "is in violation of standing order No. 161/2020 dated 31.08.2020 issued by the office of DGP Haryana". He has been seeking uniform application of standing orders across the state. — TNS

1-year jail for habitual offender under NSA

TRIBUNE NEWS SERVICE

ROHTAK, JUNE 12

The Home Department of the Haryana Government has ordered to keep a habitual offender under imprisonment for one year under the National Security Act (NSA), 1980.

Rohtak SP Himanshu

Garg said it is the first case in the state in which the Advisory Board has justified the action taken by the police and approved to keep an accused in prison for one year under the NSA.

"The Rohtak police are taking action under the NSA against the habitual criminals

who can be a threat to society and can create hindrance in maintaining law and order. The district police prepared a case against Raju (name changed), an accused in 20 cases, under the said Act and sent it to the District Magistrate, Rohtak," said Garg.

As per the order of the Dis-

trict Magistrate, the accused was taken into custody under Section 3(2) of the NSA and lodged in Rohtak Jail on May 2. Earlier, the accused was lodged at Rohini jail in Delhi.

The detention order of the accused was then sent to the state government and Advisory Board for approval.

Grace marks pushed 6 from Bgarh to NEET's top position

RAVINDER SAINI
TRIBUNE NEWS SERVICE

ROHTAK, JUNE 12

The ongoing row over the National Eligibility-cum-Entrance Test (Undergraduate) (NEET-UG) following 67 candidates scoring cent per cent across the nation this time also has a connection with Jhajjar district as six of these candidates reportedly appeared for the exam at a centre that was set up in Bahadurgarh town there.

As per sources, all these six candidates belonging to different parts of Jhajjar and surrounding area reportedly secured Rank 1 after being awarded grace marks as compensation for the loss of time as they were given wrong question papers. Three exam centres were set up in private schools at Bahadurgarh town in Jhajjar district for the NEET-UG test.

"The distribution of wrong question papers wasted 30 to 35 minutes of the candidates at the exam centre of my daughter in Bahadurgarh on May 5. The papers having codes of Q,R,S,T were given

to the examinees in place of the papers having code of M,N,O,P. No extra time was given to the examinees to compensate for the loss that occurred due to negligence of the centre authorities," said Ram Niwas, the father of an aspirant from Machhrauli village. He said that later, a group of 12 parents approached the Punjab and Haryana High Court regarding the loss of time during the exams following wrong distribution of the papers. The case is pending.

Meanwhile, activists of the Nyay Sangharsh Samiti, a social outfit, today submitted a memorandum to Jhajjar SDM Ravinder Yadav wherein they demanded re-examination.

"The replacement of the papers after half an hour also caused tension among the examinees. No extra time was given to the examinees, which is unfair to them. Moreover, there is no transparency in grace marks awarded to some candidates. Hence, we demand re-examination," said Ramesh Kumar, convenor of the outfit.

Attack on Sikh man in Kaithal: SIT formed

KARNAL, JUNE 12

In the alleged attack on a Sikh man, Sukhwinder Singh, by two youths in Kaithal on the intervening night of Monday and Tuesday, the Kaithal police have constituted a Special Investigation Team (SIT) to expedite the investigation.

DSP Gurvinder Singh has been appointed head of the team by Superintendent of Police Upasana. She also announced a reward of Rs 10,000 for anyone providing information leading to the arrest of the accused.

The attack on the Sikh man

₹10,000 reward announced for info

has sparked concern and demand for swift justice within the community. SAD and Congress leaders from Punjab condemned the attack and demanded the arrest of the miscreants. A delegation of the Haryana Sikh Gurdwara Management Committee (HSGMC) met the DSP. The DSP assured them the police have been making efforts to arrest the accused. — TNS

"Accelerating the Fight Against Malaria for a More Equitable World"

Malaria can be fatal

Malaria is spread by infected female Anopheles mosquito

Any fever can be... MALARIA

Symptoms

Fever with chills

Headache, vomiting

Excessive perspiration.

☐ If you have symptoms, visit your nearest Health Center and get blood examined.

☐ Diagnosis & treatment of Malaria is given free of cost in all health institutions.

☐ If found malaria positive, take 14 days full course of Radical Treatment (RT), otherwise you may have malaria again.

Don't Allow Water to Stagnate, Prevent Mosquito Breeding

☒ Observe every Sunday as 'Drying Day' i.e. water from coolers, tanks, haudies, flower pots, money plants, bird baths, fridge tray etc. be emptied and scrubbed dry in sunlight for 2 hours before filling water again.

☒ Keep the overhead water tanks and other water containers covered.

☒ Discarded household items (pots, plastic bottles/cups etc.) lying on roof-tops should be removed because water gets accumulated in them and mosquitoes lay eggs in it.

☒ Don't allow water to stagnate inside house and surrounding.

☒ Pot-holes should be filled with sand and if not possible, sprinkle machine oil on the stagnant water.

☒ Wear clothes that cover arms and legs.

☒ Use bed-nets and mosquito repellants, while sleeping.

Amritsar man dies fighting for Russian army, family seeks fiscal aid from Moscow

NEERAJ BAGGA
TRIBUNE NEWS SERVICE

AMRITSAR, JUNE 12
Two months after going to Russia on a tourist visa, Amritsar resident Tejpal Singh (30) was killed in the ongoing Russia-Ukraine war on March 12.

His family, which came to know of his death only a couple of days ago, said he died fighting for the Russian army and that the country (Russia) must financially support the family as he had left behind a widow, two kids and aged parents.

A pall of gloom descended Tejpal's house when his family learnt that he had been killed in the ongoing Russia-Ukraine war on March 12.

The Ministry of External Affairs had stated on Tuesday that two Indians were killed in the Russia-Ukraine war. Though it did not disclose the names of the Indians, it is believed that Tejpal was one of them.

Tejpal's house is located at Palam Vihar on Majitha Road on the outskirts of Amritsar. When The Tribune team visited his house, the family members were inconsolable. His parents, Preetpal Singh

Grieving kin of Tejpal Singh (right), who was killed in the Russia-Ukraine conflict, in Amritsar on Wednesday. VISHAL KUMAR

TEJPAL WAS KILLED ON MARCH 12

Tejpal was recruited by the Russian army on January 16. He was deployed at the border with Ukraine, where he was killed on March 12. Parminder Kaur, wife

WAS PROMISED PERMANENT CITIZENSHIP

- His family came to know of his death only a couple of days ago
- His wife said he had signed a one-year contract with the Russian army
- After that he was promised permanent citizenship and could also shift his family
- As per the contract, he was offered a monthly salary of ₹2 lakh

and Sanbjit Kaur, run a small grocery shop in the locality. Tejpal was the elder among two brothers. His younger brother, who was unmarried, had earlier died following medical complications. Tejpal

leaves behind wife Parminder Kaur, whom he married in 2017, a six-year-old son and a three-year-old daughter. Parminder said, "Tejpal wanted to join the Army since childhood. After several attempts,

he could not make it to the Army or the paramilitary forces. So he decided to go abroad. He left home for Thailand on December 20 and from there flew to Russia on a tourist visa and landed at

killed on March 12."

She said his last phone call was received on March 3 in which he had said that he would not be in a position to speak to them for the next few days as he was going to the frontline.

When they did not hear from him for quite some time, they managed to get the number of the Russian army office, only to be told that the war had claimed Tejpal's life.

She said he had signed a one-year contract with the Russian army following which he would be granted permanent citizenship and could also shift his family there. She said as per the contract, he was offered Rs 2 lakh monthly salary. She said only once he had sent Rs 2.5 lakh to the family. The family approached the Indian Embassy in Moscow to send his mortal remains to Amritsar.

Amritsar Deputy Commissioner Ghanshyam Thori said he could not confirm whether Tejpal Singh was killed in the ongoing Russia-Ukraine war as his office had not received any information from the MEA regarding it.

Army recruits on way to join the Russia-Ukraine war in Rostov. FILE

Stop taking Indians in army, Russia told

NEW DELHI, JUNE 12

India has told Russia that 'illegal recruitment' of Indian youths who are being sent to war zones has to stop.

Foreign Secretary Vinay Kwatra on Wednesday said the matter has been discussed with the Russian Government and leadership. "We have told Russia that Indian nationals in war zones have to be returned," he said.

It has been noticed that Indian youths have been sent to Russia and they have been recruited. "The illegal recruitment has stopped. We have taken this seriously," added Kwatra.

This comes after two Indians nationals, who had been recruited by the Russian army, were killed in the ongoing conflict between Russia and Ukraine. One of

RELEASE ALL RECRUITS

- Foreign Secretary Vinay Kwatra said on Wednesday said the matter had been taken up with the Russian authorities, which have been clearly told that all Indians in the war zone should be returned to India
- Meanwhile, the bodies of the two youths who died in the ongoing Russia-Ukraine conflict are being brought back

them is from Punjab.

On Tuesday night, the MEA said the matter had been taken up strongly with the Russian Ambassador in New Delhi and with Russian authorities in Moscow. The MEA said "it has sought return of all Indians who are with the Russian army". — TNS

Former Cong MLA Zira booked for murder bid

TRIBUNE NEWS SERVICE

FEROZEPUR, JUNE 12

The police have booked DCC president and former Zira MLA and eight others in an attempt-to-murder case registered at Zira city police station.

As per complainant Gurnam Singh, resident of Bagghi Patni village in Zira subdivision, the complainant had been an occupant of 8 acres 12 marla agricultural land at the village.

"In a land dispute case filed by my father Bakshish Singh against Mohinderjit Singh, the uncle of ex-MLA Kulbir Zira, the High Court had given a stay in 1992 in our favour. We had been tilling the land since then. On June 6, Mohinderjit, his cousin Mehakdeep, Zira Municipal Council president Rashpal Singh Gill, Baba Karnail Singh, Buta Singh, Balwinder Singh, ex-Market Committee Chairman Kulbir Singh and one unidentified person reached our field with firearms", said Gurnam.

Warring says case politically motivated

He stated that the accused started ploughing their land. "When we reached there, they threatened us. Meanwhile, Mehakdeep received a call from Kulbir, who told him to teach us a lesson. One of the accused Kamail Singh fired at us, injuring my son Gurlal," said Gurnam.

The police booked Kulbir and others under Sections 307, 447, 427, 107, 148, 149 of IPC, besides 25, 27 of the Arms Act at Zira police station.

State Congress president and Ludhiana MP Amrinder Singh Raja Warring said the matter was politically motivated. "The police have booked Kulbir without any reason in the case. The police have no proof against Kulbir. He was not even present at the time when the incident took place. The police must cancel the FIR or lodge a cross-FIR in this case otherwise we will be forced to launch a statewide protest," said Warring.

Vigilance Bureau busts job scam in police, arrests two employees

Promising Class IV posts, duo took ₹26 lakh as bribe from 102 persons

TRIBUNE NEWS SERVICE

JALANDHAR, JUNE 12

The state Vigilance Bureau (VB) has busted a recruitment scam in the police and arrested two employees for allegedly taking a bribe of Rs 26 lakh from 102 persons in lieu Class IV jobs in the force.

Those arrested are Tarlochan Pal, posted in the 3rd IRB as a cleaner and resident of Mohalla Begampur in Adampur, Jalandhar, and Surinderpal, posted as a barber at the Punjab Police Academy in Phillaur and resident of Sikri village in Nilokheri, Karnal, Haryana.

VB officials said the suspects were arrested following an investigation into a complaint lodged at the Chief Minister's Anti-Corruption Action Line portal by complainant Surinder Singh, a resident of Nanglan village

LURED GULLIBLE PERSONS

- Suspects Tarlochan Pal & Surinderpal had assured gullible persons that 560 Class IV vacancies were to be filled in the police
- They demanded ₹25K per person for a job in the police and collected a huge amount from individuals across the state

in Garhshankar, Hoshiarpur.

They said the arrested duo was produced in a Jalandhar court on Wednesday and remanded in two-day police custody. The officials said they would be interrogated to get information on how many other innocent persons were deceived and the total money collected in this recruitment fraud.

VB officials from Jalandhar Range conducted a preliminary investigation into the charges made by the complainant and found these to be correct, leading to the registration of a fraud case against both suspects.

It was found that Tarlochan

Pal and Surinderpal had falsely assured the gullible persons that 560 Class IV vacancies were to be filled in the Punjab Police in the coming months. Acting in collusion, they demanded Rs 25,000 per person for a job in the police and hence collected a huge money from numerous individuals across the state.

Tarlochan Pal received a total of Rs 18,09,100 as bribe, which was deposited into his various bank accounts. Of this amount, he transferred Rs 5,45,000 to Surinderpal's HDFC Bank account. In addition to this, Surinderpal received Rs 7,93,826 in his

bank account separately, the VB officials said.

A case under Sections 420 and 120-B of the IPC, and under Section 7 of the Prevention of Corruption Act was registered against both suspects at the VB police station, Jalandhar Range. During interrogation, Surinderpal is learnt to have told the VB that he and Tarlochan Pal took the money from job aspirants and gave Rs 9 lakh to two employees posted at the Punjab Police Headquarters, Chandigarh. He revealed that of the Rs 9 lakh, they had returned some money to him after they failed to get the aspirants recruited. However, the rest of the money was never returned.

During the investigation, the statements of various victims were recorded. More victims are likely to appear before the VB in the case.

Sewer men, plumbers end strike after 6 days

SANGRUR, JUNE 12

Following the intervention of Sangrur SDM, the six-day-old strike by sewer men, pump operators and plumbers working at the office of the Executive Engineer (XEN), Water Supply and Sewerage Division, ended here today. These workers were on strike since June 6 in protest against the non-release of their wages for two months by the private company which hired them.

To resolve the issue, the Sangrur SDM held a meeting here today, in which besides the SDM, a police officer, XEN of the Water Supply and Sewerage Division, Sangrur, representatives of the company and the workers' union took part.

Hardeep Kumar, branch general secretary of the Punjab Field and Workshop Workers Union, Sangrur, said at the meeting that it had been decided that the company would pay the pending wages of two months to the workers next week, he added.

Were on protest over non-release of wages

Hardeep Kumar also said during the regime of Channi government the wages of the workers had been increased, but theirs had not been increased. However, the company had now assured them that their arrears against the increased wages would be credited into their bank accounts after two months, he added.

In protest against the non-issuance of their wages for two months, the office of the XEN was gheraoed yesterday by the agitating workers for about two-and-a-half hours here. Due to the gherao, the XEN and some employees could not come out of the office at 5 pm as the agitating workers had locked the main gate. However, after the intervention of the administration, the agitating workers lifted the gherao at about 7 pm.

Jailed legislator Gajjanmajra getting 'special treatment' at Patiala hospital

Amargarh leader was remanded in judicial custody in ₹40-cr bank fraud case

AMAN SOOD

TRIBUNE NEWS SERVICE

PATIALA, JUNE 12

The nearly one-month stay of AAP MLA Jaswant Singh Gajjanmajra in different departments of the superspecialty ward of Government Rajindra Hospital here has raised many an eyebrow amid allegations of VIP treatment. While the Enforcement Directorate (ED) had opposed his interim bail plea in the Supreme Court last week, Gajjanmajra is now under treatment at the urology department.

While there is no official confirmation by any hospital official, Gajjanmajra, who was arrested in connection with a Rs 40-crore bank fraud case, is getting treatment from different departments of the hospital. He is on judicial remand and lodged at Central Jail here.

Patiala Central Jail Superintendent MS Sidhu said the accused was in judicial custody and was admitted to the hospital following

HEALTH MINISTER DENIES CHARGE

Punjab Health Minister Balbir Singh denied any VIP treatment being extended to legislator Jaswant Singh Gajjanmajra, who is "only an accused" and "not guilty in any case". "He is suffering from several cardiac issues, high diabetes, spinal and urology-related disorders. He is in hospital only on the recommendations of jail doctors," he said.

recommendation of jail doctors. "He was taken to the government hospital on May 11. He is still there. I cannot comment on his health, which only the doctors concerned can. We have deputed the jail security as per protocol," he said.

Leader of the Opposition Partap Singh Bajwa said AAP was "giving khaas aadmi treatment" to an accused in a bank fraud case. "Is this the change CM Bhagwant Mann promised in the state," he asked.

Talking to The Tribune,

Punjab Health Minister Balbir Singh denied any VIP treatment being extended to Gajjanmajra, who is "only an accused" and "not guilty in any case". "I have checked with the hospital authorities. He is suffering from some cardiac issues, high diabetes, spinal and urology-related disorders. He is in hospital only after a medical board and jail doctors recommended it," he said.

In a post on X, social activist Manik Goyal said,

Pathankot was semi-arid region in prehistoric times, finds study

CHANDIGARH, JUNE 12

A study of fossils recovered from sediments in Pathankot district has indicated that the area, which is now fertile and green, was a semi-arid region in pre-historic times.

The study was undertaken by experts from the Wadia Institute of Himalayan Geology to assess the environmental conditions that prevailed in the region over

10 million years ago.

On analysis of trace fossils or ichnofossils, researchers found that low sedimentation rates, low energy deposits and well oxidising environment prevailed in the area approximately 11 million years ago.

At present, the soil of the Pathankot regio is quite alluvial and fertile.—OC

CM Sukhvinder Sukhu presides over the Congress Legislative Party (CLP) meeting in Shimla on Wednesday.

After LS poll debacle, Congress mulls organisational overhaul

One-person one-post idea discussed at CLP meeting

SUBHASH RAJTA
TRIBUNE NEWS SERVICE

SHIMLA, JUNE 12

Following the third consecutive drubbing at the hands of BJP in the Lok Sabha elections, the Congress is likely to overhaul its organisational set-up for better results in the future.

The Congress Legislative Party (CLP), which met here today under the chairmanship of Chief Minister Sukhvinder Singh Sukhu for the first time after the Lok Sabha and the Assembly bypolls, felt it was high time that inactive officials were replaced with more enthusiastic and dedicated workers in the party. Also, the proposal of one-person one-post was discussed in the meeting.

"There are many individuals who are holding a post in the government as well as in the party. It was felt that the individual concerned would be able to do a better job if he's holding just one post," said party sources.

The Congress has drawn a blank in the last three Lok

BYPOLLS: NAMES OF CANDIDATES SOON

- The CLP also decided that one minister should be available once a week in the party headquarters to meet the party workers
- "It will further strengthen the coordination between the party and the government," the sources said
- The CLP expressed satisfaction at the results of the Assembly bypolls, which the party won 4-2
- The names of the candidates for the upcoming three Assembly bypolls are likely to be finalised in a couple of days

Sabha elections despite having its government in the state on two occasions, in 2014 and 2024. Though the Congress managed to increase its vote share from 27 per cent to 41 percent this time, the BJP still won all four seats comfortably. "The Modi factor, the Ram Mandir and the Kisan Samman Nidhi Yojna were identified as the major reasons for the defeat in the Lok Sabha elections," the sources said.

The CLP also decided that one minister should be available once a week in the party headquarters to meet the party workers. "It will further strengthen the coordination between the party and the gov-

ernment," the sources said. Besides, the CLP expressed satisfaction at the results of the Assembly bypolls, which the party won 4-2. The names of the candidates for the upcoming three Assembly bypolls are likely to be finalised in a couple of days.

In the meeting, the CLP passed a resolution that action would be speeded up against those who tried to topple the government. The CLP also reposed faith in the leadership of Sukhu. The CLP also passed a resolution to thank people and party workers for their support, which led to the Congress winning four out of six seats in the Assembly by-elections.

Six newly elected MLAs take oath

Congress strength in House now stands at 38 while BJP has 27 legislators

TRIBUNE NEWS SERVICE

SHIMLA, JUNE 12

The six newly elected legislators — Rakesh Kalia, Vivek Sharma, Ranjeet Rana, Anuradha Rana, Sudhir Sharma and Inder Dutt Lakhanpal — were administered the oath by Speaker Kuldeep Singh Pathania here today.

Of the six legislators, four from Gagret, Kutlehar, Sujanpur and Lahaul-Spiti belong to the Congress, thereby increasing the party's strength in the Vidhan Sabha from 34 to 38. Two seats of Dharamsala and Barsar in Hamirpur were won by the BJP and now strength of the BJP legislators in House stands at 27.

The number of women MLAs in the Assembly has gone up to two with the victory of Anuradha Rana, the newly elected MLA from Lahaul-Spiti. The lone woman MLA in the House till now was Reena Kashyap from the Pachhad.

Chief Minister Sukhvinder Sukhu, Deputy CM Mukesh Agnihotri, Leader of Opposition Jai Ram Thakur, Deputy Speaker Vinay Kumar, ministers and MLAs were present on the occasion.

Later, while interacting with the media, Sukhu said the claim of the BJP to form government in the state had failed as people had elected four Congress candidates in the Assembly byelections. The Congress has consolidated its position in the Vidhan Sabha by raising number of its MLAs to 38.

Sukhu said his government would continue its endeavour to make Himachal self-reliant. "The

Inder Dutt Lakhanpal (Barsar)

Rakesh Kalia (Gagret)

Vivek Sharma (Kutlehar)

Ranjeet Rana (Sujanpur)

Anuradha Rana (Lahaul-Spiti)

Sudhir Sharma (Dharamsala)

people of the state have rejected the politics of horse-trading as four turncoat MLAs had faced defeat in the byelections," said Sukhu. The Congress is ready for the upcoming Assembly byelections for which the candidates would be finalised shortly, he said.

SIX CONG MLAs HAD CROSS-VOTED IN RAJYA SABHA ELECTIONS

- With the four belonging to ruling Congress, the strength of MLAs of the party has risen to 38 in the 68-member Assembly whose strength has been reduced to 65 members after the resignations of 3 Independent MLAs
- Bypolls were necessitated after six Congress MLAs cross-voted in the Rajya Sabha elections against the party's nominee. The Congress won four of the six seats while the BJP won two seats
- The Election Commission on Monday announced bypolls to three more Assembly constituencies on July 10 due to the resignation of the incumbent members, all Independents

IB officer found dead in remote Chamba area

OUR CORRESPONDENT

CHAMBA, JUNE 12

In a shocking crime incident, Junior Intelligence Officer of the Intelligence Bureau (IB) was found dead at Kihar, a border town in the Salooni subdivision of Chamba district of Himachal Pradesh.

The victim identified as Arun Kumar, hailing from Jogindernagar of Mandi district and posted at Kihar for more than two-and-a-half

years, was discovered with a fatal head injury on the roadside in the local market, approximately 100 m away from the Kihar police station.

Upon receiving news of the murder, Salooni Sub-divisional Police Officer (DSP), Ranjan Sharma along with Sub-divisional Magistrate Naveen Kumar rushed to the spot. Chamba SP Abhishek Yadav too arrived at the crime scene.

Yadav said that police have apprehended one suspect, a

dhaba owner, in connection with the crime. Preliminary findings suggest that an argument erupted between the victim and the accused while they were consuming drinks at the dhaba. The suspect is currently under interrogation. The police have secured the crime scene while a team of forensic experts had been called to collect vital evidence.

Yadav said initial investigations and eyewitness' accounts suggest that the two

were seen together, consuming alcohol, on Tuesday night and no third person was with them. However, investigations are ongoing, and additional arrests may follow.

Kihar, about 65 km from Chamba, borders Doda district of Jammu and Kashmir. It is a crime-prone area. Last year, the quaint hill town shot into limelight when a 21-year-old youth was murdered. His body, chopped into pieces, was found dumped in a stream.

4 terror attacks in four days: CRPF jawan, terrorist killed

ARJUN SHARMA

JAMMU, JUNE 12 Three encounters and a terror attack on a bus of pilgrims in Reasi within four days have rattled the entire Jammu region. A policeman was injured on Wednesday evening when terrorists opened fire on a search party in a village in Gandoh area of Jammu and Kashmir's Doda district, officials said. A Central Reserve Police Force (CRPF) personnel lost his life and a terrorist was killed in an encounter in Hiranagar area of Kathua district on Wednesday morning. The firing was reported from the Kota top area of Bhalesa around 7.41 pm to which security forces retaliated, they said. An intermittent exchange of fire was going on when last reports were received. Reinforcements have been rushed to the area to strengthen the cordon, they added. This was the second terror-related incident in Doda in the last 24 hours and fourth in three days in J&K. Five troopers of Rashtriya Rifles and a special police officer (SPO) were injured when a group of ultras opened fire at Army and police personnel manning a check-point in Doda. The injured personnel were taken to Bhaderwah hospital for medical treatment. A search

Security forces display arms, ammunition and explosives recovered during an operation in Kathua. PTI

operation was launched after the incident. The encounter in Kathua started after a group of at least two terrorists entered Saidda Sukhal village near Koota Morh in the district on Tuesday around 8 pm. A CRPF personnel identified as constable Kabir Dass of 121 Battalion who hails from Madhya Pradesh died in Kathua encounter. Dass suffered a bullet injury on the right side of his upper body and succumbed. A civilian identified as Om Prakash, 45, was also hit on his left arm. He was taken to the hospital where he is undergoing treatment. Additional Director General of Police (ADGP) Anand Jain reached Saidda

Sukhal late on Tuesday where he reviewed the strategy to eliminate the surviving ultra. One of the two terrorist was killed by Tuesday evening. Jain said two terrorists, who appeared to have freshly infiltrated, surfaced in the village in the late evening hours. "They asked some locals to give them water, but villagers denied after suspecting their identities. The terrorists opened fire in the air and also targeted some locals," he said. After receiving information, local police officials reached the spot and killed one terrorist. A search party cleared the houses in the village one by one. On Wednesday morning, drones were used to locate the

second terrorist. As per the official, a cache of arms and ammunition was recovered from the site. Three magazines containing 30 rounds each, one magazine containing 24 rounds, 75 rounds in a separate polythene bag, three live grenades, Rs 1 lakh currency, Pakistan made chocolates, dry channa and stale chapatis, Pakistan-made medicines and injections, one syringe and two packs of A4 batteries were recovered. In the past few months, six of the 10 districts in Jammu region have witnessed terror activities. These districts include Rajouri, Poonch, Reasi, Udhampur, Kathua and Doda. (With PTI inputs)

Congress questions Modi's silence on attacks in Jammu

NEW DELHI/JAMMU, JUNE 12

The Congress on Wednesday alleged that congratulatory messages pouring in to compliment Narendra Modi for his third consecutive term as the Prime Minister have allegedly blinded him to the growing instances of terrorism in Kashmir.

In his post on X, Rahul Gandhi said, "Narendra Modi is busy responding to congratulatory messages and cannot even hear the cries of the families of the devotees who were brutally killed in Jammu and Kashmir," he said in a post in Hindi on X. There have been three separate terror incidents in the last three days in Reasi, Kathua and Doda in Jammu and Kashmir, "but the Prime Minister is still busy celebrating," he said.

"The country is demanding answers to why those planning terrorist attacks are not caught?" Gandhi asked.

Congress spokesperson Pawan Khera also issued a separate statement on the terror attacks in Kashmir. He said the BJP's decision to not fight elections in Kashmir valley amounted to admission that the "Naya Kashmir" policy was an "abject failure".

In a string of questions directed at Prime Minister Modi, Khera asked the PM whether it was true that the Pir Panjal Range has now become a hotbed of cross-border terrorism as over 35 soldiers have been killed by ter-

Army personnel near the site of the encounter in Kathua. PTI

rorists in that areas during last two years.

"Now, terror has spread to the neighbouring Reasi district, which was considered relatively peaceful," Khera noted. Khera also asked Modi whether it was true that at least 19 major terror attacks have taken place on security installations, including CRPF camps, army camps, air force station and military stations. "Is it not true that Modi govt invited the ISI to investigate the Pathankot attack in 2016?" Khera further asked.

Oppn parties flay central govt over rising attacks

Opposition parties expressed their concern over the rising incidents of terrorism in Jammu region and criticised the Centre for its alleged failure to stop ultras from infiltrating into the Indian territory.

The J&K Congress condemned the series of terror

attacks and questioned the sudden spurt in terror incidents, ahead of the starting of Amavasya Yatra, terming it to be worrisome. The party demanded firm action to check rising terrorism in the region. CPM leader MY Thirigami said, "The administration's claims of normalcy starkly contrast with the ground reality. It's crucial to conduct a comprehensive introspection for gaining a thorough understanding and effectively addressing the situation."

Rattan Lal Gupta, provincial president of the NC, expressed concern over the deteriorating security situation and alleged that it was due to administration's failure to effectively curb terrorism. Apni Party chief Altaf Bukhari said these terror incidents aim to disturb the peaceful atmosphere in Jammu by targeting civilians and security forces.— TNS/OC

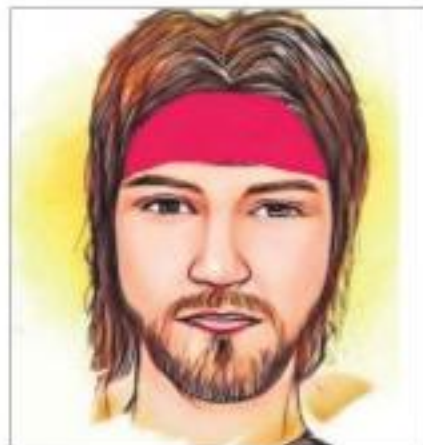

Police announce ₹20 lakh reward for information on Reasi attackers

JAMMU, JUNE 12

The Reasi police have announced a reward of Rs 20 lakh for information about terrorists behind the attack on a bus of pilgrims in the district on Sunday. The police have also released a sketch of the terrorist who fired bullets on the bus and was seen by some pilgrims.

The sketch of militant has been prepared on the disclosure and description of eyewitnesses. "Reasi police appeal general public to provide any reliable information on the contact numbers of police officials," it read.

Intelligence agencies have received inputs that terrorists might be planning suicide attacks on important police and Army installations in Jammu division. The police issued an 'alert advisory' in the Jammu region, urging residents to stay vigilant regarding the movement of suspicious individuals and objects.— OC/PTI

SERVING CUSTOMERS WITH A SMILE

Mann meets Kejri in jail...

FROM PAGE 1

Cabinet rejig, the party officially denied that there will be a reshuffle soon.

With the Jalandhar West byelection due on July 10, CM Mann reportedly wants changes effected in the Cabinet only after the bypoll, being considered a litmus test for the party. The seat had fallen vacant after the resignation of AAP MLA Sheetal Angural, who switched sides to the BJP.

During the just concluded LS poll, AAP had secured the third position in this Assembly constituency. Retaining the seat being crucial for the party, especially after the Lok Sabha results proved a damper, party leaders want to be a cohesive force to win this seat. The CM is learnt to have stated that a change in the Cabinet could impact the result.

The meeting today came a day after party national secretary (organisation) Sandeep Pathak held a meeting with 15 MLAs in Mohali late last evening. Some of the MLAs who had managed to secure a good lead for AAP LS candidates were also present at the meeting.

Dialogue with Pak only way to end terrorism, says Farooq

SRINAGAR, JUNE 12

Terrorism in Jammu and Kashmir will not end unless talks are held with Pakistan, National Conference president Farooq Abdullah said here on Wednesday.

Abdullah's remarks came after three terrorist attacks took place in Jammu in as many days. On Sunday, terrorists attacked a bus carrying pilgrims, causing it to veer off the road and fall into a deep gorge in Reasi, killing nine and injuring 41. Two days later, terrorists attacked a joint checkpoint in Doda, injuring six security personnel. In another incident late on Tuesday, a suspected Pakistani terrorist was killed by security forces in Kathua district. The overnight encounter ended after a second terrorist was also gunned down on Wednesday but a CRPF jawan lost his life in the operation.

The NC president told reporters here on Wednesday, "I have always said that terrorism is not going to end unless there is an understanding between the two

Farooq Abdullah

nations (India and Pakistan). Terrorism will continue and we will have to face it. The tragedy is that innocent people are getting killed... and that is unfortunate."

More innocent people would lose their lives unless "we wake up and find a solution to this", he said.

Referring to External Affairs Minister S Jaishankar's remarks that India will focus on resolving issues along its borders, the former Jammu and Kashmir Chief Minister said "dialogue" is the only way forward.

Shortly after taking charge of the Ministry of External Affairs (MEA) for the second term, Jaishankar on Tuesday

said efforts will be made to address cross-border terrorism emanating from Pakistan as it cannot be the "policy of a good neighbour".

Jaishankar also said India will focus on resolving the remaining issues along the Line of Actual Control (LAC) with China.

"The foreign minister himself said yesterday that with China, we have to have a dialogue and for the first time, he mentioned Pakistan also. I hope they continue and find a solution to it," Abdullah said.

J&K BJP slams NC leader

Jammu and Kashmir BJP president Ravinder Raina on Wednesday criticised National Conference president Farooq Abdullah for advocating dialogue with Pakistan and asked "what type of talks will be held with an enemy nation which has destroyed Jammu and Kashmir through its sponsored terrorism".

He said the BJP would respond to Pakistan only in the same language which it understands. — PTI

Over 40 Indians among 49 dead in Kuwait fire

FROM PAGE 1

provide all possible assistance to the victims and their families. Engineer Saud Al-Dabbous, the Director General of Kuwait municipality, suspended several key officials, including the Deputy Director General for Hawalli and Al-Ahmadi Governorate Affairs, the Acting Director of the Al-Ahmadi municipality branch, the Director of the Audit, Follow-up, and Engineering Department, and the Head of

the Violations Removal Department in Al-Ahmadi, Arab Times daily reported.

"These suspensions were enacted in the interest of public safety," the paper said. Eyewitnesses said that the sight of flames engulfing the building instilled fear among onlookers. One eyewitness recalled an incident where a resident worker leaped from the fifth floor, meeting a tragic end as he struck the balcony's edge. (With PTI inputs)

HP dam levels up as May heat hastens glacier melt

FROM PAGE 1

1,570.63-foot level recorded in June last year. In the Pong dam, which is on the Beas, the water level was 1,313 feet on June 12, against the average of 1304.74 feet at this time of the year. Since not much rain has occurred in

reservoir in May due to the high temperature and increased snowmelt in the Sutlej catchment areas. He said the higher inflows were recorded in the reservoir despite the fact that snowfall in the Sutlej catchment area was less last year.

According to CP Singh, Chief Engineer (Irrigation), Bhakra dam, the higher inflows were recorded in the

Professor AK Mahajan, Department of Environmental Sciences, Central University of Himachal Pradesh, said global warming and high temperatures were causing glaciers to recede. Ironically, few studies have been conducted to study the situation.

NEET controversy

Ensure quick resolution, restore trust

THE controversy over allegations of paper leak and malpractices in the National Eligibility-cum-Entrance Test-Undergraduate (NEET-UG) needs quick resolution. The Supreme Court may have refused to stay the counselling for admissions to medical colleges, but confusion and anxiety persist. The Bench's observation that the sanctity of the entrance test has been affected puts the onus on the National Testing Agency (NTA) to come clean. It must answer the litany of questions regarding the alleged irregularities. Over 22 lakh candidates took the test, which is considered a gateway to a career in medicine. Conducting an exercise of such magnitude demands extreme caution and responsibility. The slightest laxity or an error of judgement can affect the fortunes of thousands of candidates. The NTA has to clear doubts, allay fears and restore trust.

The fairness of the process is the cornerstone of any examination. In the region, a recurring theme is the uncertainty regarding the impartiality of recruitment tests. Haryana, Punjab and Himachal Pradesh have been rocked by cheating scams. In Uttar Pradesh, the police constable recruitment exam had to be cancelled just days after it was conducted in February after confirmation of a paper leak. Stringent legislation has been introduced in some states to deal with paper leak and recruitment scams, but a strategy of deterrence can only work through firm follow-up action. Having clean, competent officers at the helm is a basic necessity.

The apex court is yet to take a final decision on the NEET-UG issue, but voices of protest are expected to get shriller. As a four-member committee formed by the NTA looks at the options to defuse the crisis, also expected were a set of recommendations to ensure there's no repeat of the fiasco.

Two good for Naidu

Andhra CM a key stakeholder in Modi govt

IT's a 'best of both worlds' situation for Chandrababu Naidu. The Telugu Desam Party (TDP) supremo has not only become the Chief Minister of Andhra Pradesh for the fourth time, he has also emerged as a key stakeholder in the BJP-led government at the Centre. On Wednesday, he took oath as CM in the presence of Prime Minister Narendra Modi and other senior BJP leaders. The alliance comprising the TDP, the BJP and the Janasena Party recorded a landslide victory in the simultaneous Lok Sabha and Assembly elections in the southern state recently, winning 21 of the 25 Lok Sabha seats and 164 of the 175 Assembly seats. Notably, the TDP alone has the majority in the Andhra House with 135 MLAs.

Naidu's enviable status in the scheme of things has led to speculation that he might press Modi to walk the talk on granting special category status (SCS) to AP. The Congress has already upped the ante against the PM, saying that he has failed to fulfil the promise made in this regard in Tirupati in March 2014. The basis of Andhra's demand for SCS is the loss of revenue attributed to the state's bifurcation, which led to the formation of Telangana under the AP Reorganisation Act in February 2014. Another NDA-ruled state, Bihar, is also demanding this status, with CM Nitish Kumar's cabinet having passed a resolution in November 2023. The stability of the Modi 3.0 government will hinge a lot on how far Naidu and Nitish will go for the sake of their respective states.

In contrast, things are pretty simple and straightforward for the BJP in Odisha, where tribal leader Mohan Charan Majhi has taken oath as the party's first CM in that state. The saffron party ended the Naveen Patnaik-led Biju Janata Dal's long reign with an impressive win in the recent Assembly elections. The challenge for Majhi would be to sustain the momentum of development that Odisha witnessed when Naveen was at the helm.

ON THIS DAY...100 YEARS AGO

LAHORE, FRIDAY, JUNE 13, 1924

The Congress Executive

THE question as to who should or should not form part of the Congress Executive has for the last few days been engaging the serious attention of Mahatma Gandhi and that large section of political India which owes allegiance to him and India's non-official Parliament. With that directness, vigour and lucidity which characterise all his public and private utterances, the Mahatma lays down as many as six conditions which, in his opinion, ought to be satisfied before a man or a woman can become or remain a member of the Executive. Let each one of us, he says in the latest issue of *Young India*, ask himself or herself:— (1) Do I believe in non-violence and truth for the purpose of gaining Swaraj? (2) Do I sincerely believe in Hindu-Muslim unity? (3) Do I believe in the capacity of the *Charkha* to solve the problem of the economic distress of the starving millions of India, and in order to make hand-spun *Khaddar* universal, am I prepared to spin religiously for half an hour at least per day, except when travelling continuously for 24 hours? (4) Do I believe in the boycott of Government titles, Government schools, law courts and Council? (5) If a Hindu, do I believe that untouchability is a blot upon Hinduism? (6) Do I believe in the complete abolition of the drink and drug evil in spite of the fact that the whole of the revenue will be wiped out at a single stroke? It might be said that these are all subjective tests—mere matters of belief or disbelief—and that it is neither safe nor desirable to make the appointment or continuance of the Executive of such a body as the Congress dependent merely upon the satisfaction by its members of such tests.

No room for complacency along LAC

India must enhance intelligence and surveillance capabilities to counter Chinese threat

LT GEN PRADEEP BALI (RETD)
MILITARY COMMENTATOR

THERE are a number of pressing issues warranting the attention of the new government. Among these, the requirements and concerns of the armed forces merit top priority as these directly affect national security. Enhanced financial outlay for capability development, implementing structural reorganisation at the macro level and a review of the recruitment systems need to be addressed in a committed and decisive manner.

Our major adversary on the northern borders is continuing with its duplicitous stance. China's new Ambassador to India Xu Feihong (appointed after a gap of 18 months), after presenting his credentials on May 31, called for joint efforts to "enhance political mutual trust, manage differences properly, and advance mutual beneficial cooperation so as to bring China-India relations forward along the right track". However, the situation on the borders, especially in eastern Ladakh, remains tense, with no significant forward movement even after 21 rounds of high-level military talks held so far. Along with the enhanced deployment of the People's Liberation Army (PLA) troops and significant construction of military infrastructure, recent satellite imagery has indicated the largest deployment of Chinese J-20 stealth fighter jets — its most advanced — at a dual-use military and civilian airport in Shigatse, the second largest city in the Tibet Autonomous Region which is less than 150 km from the Line of Actual Control, opposite Sikkim.

DRAGON'S PRESENCE: A 'status quoist' defence budget will not serve India's purpose. 771

For India, the acquisition of major platforms like the third aircraft carrier, new-generation submarines and fighter jets is essential for building capabilities which enable credible deterrence against China. However, what is even more important is the present situation on the LAC, and this translates into current intent. While China will keep voicing platitudes about the need for friendly bilateral relations, the ground elements of the PLA will continue to look for positions of strength and advantage along the LAC. For the Indian Army, the focus will thus remain on enhancing intelligence and surveillance capabilities with an increasing number of military satellites and accelerating the process of acquiring state-of-the-art weapons and equipment. These include battlefield transparency systems, unmanned combat aerial vehicles and latest night vision capabilities, even imported ones as *Atmanirbharta* will take its time.

All this costs money and an enhancement of the 'status quoist' defence budget. On February 1, the Finance Minister presented the Interim Budget for 2024-25, which had an allocation of Rs 6,21,541 crore for the Ministry of Defence (MoD), a 4.72 per cent increase

While China will keep voicing platitudes about the need for friendly ties, the PLA will continue to look for positions of strength & advantage along the LAC.

over the defence budget for 2023-24. However, compared to the revised allocation for last year, it was a marginal fall in real terms. As a percentage of government expenditure, this was just 13 per cent, continuing a multi-year trend of falling defence outlay, representing 1.89 per cent of the Gross Domestic Product (GDP). Interestingly, the bulk of the allotment for capital acquisitions, Rs 1.72 lakh crore — 27.67 per cent of the total defence budget — will be taken away by committed liabilities.

The finance ministry is getting ready to present the full

Budget for 2024-25 next month. One key change would be in the accounting of the more-than-expected RBI dividend of Rs 2.11 trillion for the Central Government. As a result, some of the extra receipts would be used for pre-payment of debt and to further reduce the fiscal deficit. While the full Budget for the current financial year may not be much different from the interim one, a substantial increase in the total defence allocation would be prudent for enhancing national security.

An integrated and unified theatre command structure has been on the anvil for almost five years now. Despite the political executive being positively inclined and desirous of this, an inordinate delay has taken place. Prolonged confabulations due to inter-services turf wars and specious arguments for status quo have been the major stumbling blocks. There has been a concerted effort by the Department of Military Affairs, under the CDS, to give this restructuring a final shape, incorporating optimum utilisation of all elements, including cyberspace and space. While the CDS can and surely will be a facilitator for this change, it has to be strongly driven by the political leadership so that the armed forces evolve into

a fully synergised joint organisation. It would make sense, therefore, for this subject to be on the government's 100-day agenda.

The third issue of concern is the new recruitment system for the armed forces, the Agnipath scheme, which was unveiled in June 2022 and the process set in motion in January 2023. Recruits have been enrolled under the name of Agniveers, with only 25 per cent to be retained after four years and the remainder being released from service with benefits and generic promises of re-employment in other departments, including Central police organisations. This scheme was imposed on the armed forces in haste under some imagined benefits of a younger profile for the services. Almost two years down the line, the feedback from the unit-level organisations, the cutting edge of the Army, is anything but encouraging. It's not a happy situation now, with Army recruitment a low-priority option for the mostly rural youth who have traditionally been the main source of our soldiery.

Some political parties had opposed the Agnipath scheme during the recent election campaign. Now, with a coalition in power, one of its constituents, the Janata Dal (United), has called for a review of this system of recruitment. It will indeed be ironic if a policy which did not find favour with the organisation on which it was imposed and which was stridently opposed by retired officers of the Army were to see a rollback not due to sane advice but the exigencies of coalition politics. Be that as it may, the recruitment system of the forces needs an urgent review, well before the first lot of Agniveers heads for retrenchment.

Expectations from new governments are always high, though the present dispensation is largely a continuation of the same leadership. It is to be hoped and expected that the urgent concerns of the armed forces will be prioritised.

THOUGHT FOR THE DAY

No man is entitled to the blessings of freedom unless he be vigilant in its preservation. — Gen Douglas MacArthur

The fun-filled summer holidays

SOMESH GOYAL

OUR two-month-long summer vacation in the 1970s was always exciting. My cousins and I would set out for our annual sojourns to our *dadka* (paternal grandparents' home) and *nanka* (maternal grandparents' house). The first port of call was Jaito, a Mandi town that was home to our dan and my birthplace. The two-storey *haveli*, with its umpteen rooms and *chobaras*, was big enough for over a dozen of us to play hide-and-seek and perform *Ramlika*, *kirtan* and *swang*. We would play *pithu* and *stapu* (hopscotch) on the terrace.

At night, this terrace would be reserved for *taais* and *chachis* and their unruly wards. *Dadi* was happy in her ground-floor abode. She would come up to gossip with her *bahus* and grandchildren before retiring for the day. We would cool the roof with water every evening before spreading 20-odd cots on it. Water was sprinkled on the sheets for more cooling.

Some evenings were special as my dad narrated stories from the *Ramayana*, *Mahabharata*, *Panchtantra* and the *Arabian Nights*. We were also initiated into stargazing. Those learnings never made us lose our north on the moral compass.

Babaji, our grandfather, looked stern and inaccessible. However, he occasionally called all his grandchildren for a treat of *kulfi*, *barfi* and *mithai*. A visit to his *hatti* (shop), where he dealt in grains and moneylending, was a veritable tour of a museum. Several posters and calendars of heroes of the freedom struggle adorned its walls. He would open his *galla* and give us pocket money.

Our visit to the market took us to *Rughe di Hatti*, the stationery and book shop. Each one was allowed to purchase a fountain pen, a pencil, a few nibs and dozens of *pudias* of Raj Roshnai, the granules of colour which, when mixed in water, made excellent ink. With this 'arsenal', a duel would begin between cousins in cursive writing. Our *taayaji*, the local government senior secondary school headmaster, used to be the judge. To keep us all happy, he would declare a new winner every day. We enjoyed our small victories.

In the evening, we went to the municipal park, which was full of flowers and fragrance. Alas, it now looks forlorn, with stray animals occupying it.

Every Thursday, a visit to the *bageechi* was mandatory. We got *prasad* from Heera Moti Sweets to distribute in the nearby *basti* and our family. The *bageechi*, a small vegetable garden, was a place of reverence for us because it housed the *samadhis* of our ancestors. We would clean them, make floral offerings and light earthen lamps, seeking the blessings of the departed elders.

Sadly, it all ended on the day of our departure. All family members, led by *dadi*, marched to the railway station. *Dadi* poured water on the wheels of our coach to ward off misfortune and prayed for our safe journey.

LETTERS TO THE EDITOR

Pakistan must mend its ways

Refer to 'India-Pak impasse'; ex-Pakistan PM Nawaz Sharif realises that building friendly ties with India is the key to ensuring lasting peace, security and prosperity in the region. Unfortunately, his efforts to bring about a positive change have been marred by the Pakistani deep state. After all, it is the army — which has a strong grip on all spheres of governance, such as politics, the economy and foreign affairs — that calls the shots in Islamabad. It is, therefore, imperative that the political elite across the border impress upon the military leadership the need to stop exporting terrorism to India and adopt a policy that will help improve Islamabad's relations with New Delhi, Kabul and Tehran. It is never too late to give peace a shot.

SUBHASH VAID, NEW DELHI

Need to revisit Agnipath scheme

The Department of Military Affairs' belated inquiry into the manpower shortage caused by the Agnipath scheme reveals a concerning oversight. Despite its promise of a youthful military, the scheme's inadequate recruitment quotas starkly contrast with the high retirement rates, worsened by a pandemic-induced hiring freeze. The immediate consequences — understaffed units and operational challenges — are felt deeply within the ranks, particularly in specialised regiments like the Gorkhas. The political manoeuvring around Agnipath, including Opposition accusations and the ruling party's stance, underscores the scheme's contentious nature. A reassessment is crucial, not just for political optics but to ensure that our armed forces maintain their strength and readiness. Prioritising fiscal savings over operational efficiency risks undermining national security. It's time to rethink Agnipath before it further erodes our military capabilities.

GURDEV SINGH, MOHALI

No compromise on nat'l security

Apropos of the article 'Manpower shortage calls for a rethink of Agnipath scheme'; regardless of the politics sur-

rounding the issue and other considerations, there should be no compromise when it comes to India's national security. There is a need for the masses to understand the goal behind the introduction of the Agnipath scheme and not get swayed by misleading talking points. The country is already beset by widespread unemployment. Youth, hailing from diverse academic backgrounds, are just looking to secure a job, regardless of the duration of the service.

SUNIL KUMAR MAHAJAN, BILASPUR

Kangana's remarks uncalled for

Actress Kangana Ranaut's remarks about elderly women being paid to stage a protest during the farmers' stir were completely baseless and highly condemnable. She should have apologised for the comments. However, that does not justify the assault on the newly elected MP by the CISF constable. Any person in uniform is supposed to serve the nation and protect its citizens. An official on duty must not let their personal views or emotions dictate their actions. Some anti-social elements, who want to stoke communal tensions, have lent their support to the erring constable and seized the emotive issue. The growing animosity among different sections of society will only disturb communal harmony in the state.

UPANT SHARMA, UNA

Attack on Sikh man

A Sikh man was allegedly thrashed and called a 'Khalistani' in Haryana's Kaithal on Tuesday. This was a highly condemnable attack, which calls for a thorough investigation. If the culprits are not brought to justice, it could set a dangerous precedent. It has become common for miscreants to throw around such epithets at members of the Sikh community. Those of us who are law-abiding, patriotic Sikhs feel hurt and offended by this kind of mischaracterisation. There is a need for more stringent laws to address such crimes. Those who dub all Sikhs as Khalistanis must be punished. That could be a step towards making Sikhs feel safe and respected.

NIRMAL SINGH, PATIALA

NEET fails to provide a level playing field

FAIZAN MUSTAFA
CONSTITUTIONAL LAW EXPERT

ISSUING notices to the National Testing Agency (NTA) and the Central Government on pleas seeking a fresh NEET-UG 2024 examination amid allegations of a paper leak, the Supreme Court's vacation Bench said, "Sanctity has been affected and we need answers." It has again been proven that NEET is not a neat way of testing students.

There are serious allegations of paper leak and the possibility of an unfair advantage given to some candidates. Questions are being raised about the integrity of the test. Technical glitches, such as poor network connectivity, were faced by many students at a number of centres, leading to disruptions in the test.

An unusually large number of candidates have obtained high scores. As many as 67 candidates scored a perfect 720, with each scoring 99.997129 percentile. The fact that six of them were at the same centre has raised eyebrows. The grant of grace marks to around 1,560 candidates for the loss of time is also being

criticised, as the NTA did not disclose details of the formula based on the Supreme Court's 2018 decision. The NTA's clarification is that candidates were compensated through grace marks.

NEET is a unique system of admission. To pursue a medical course in India, one must clear this test. The idea of common tests was initiated by Murli Manohar Joshi when he was the HRD Minister in the then NDA government. It found some support in the judgment of the Supreme Court in *TMA Pai Foundation vs State of Karnataka* (2002).

NEET was notified by the Medical Council of India (MCI) in 2010. But, in 2013, a three-Judge majority decision in *Christian Medical College Vellore Association vs Union of India* struck down NEET. The decision was widely criticised as anti-student and one that would lower the standards of medical education. As a result, the Indian Medical Council Act, 1956, was amended and Section 10D was inserted to empower the MCI to conduct NEET. A review petition against this judgment was allowed in 2016, and the apex court ordered the conduct of NEET from 2016 itself.

Surprisingly, the Bench did not accept the Government of India's repeated requests to permit state governments to conduct their tests at least in 2016. Interestingly, the dissenting Judge of the 2013 judgment made NEET com-

NOT SO NEAT: Questions are being raised about the integrity of NEET. PTI

pulsory even prior to a full hearing by the Constitution Bench. NEET was thus imposed by the court and not the Narendra Modi government. The Justice Anur Mishra-led Bench in 2020 again upheld NEET, even in respect of minority institutions. Unfortunately, the top court considered just the legality of NEET and overlooked the real impact it would have on the ground, particularly on the underprivileged and minority institutions.

Why is NEET not really student-friendly? First, if a student falls ill or doesn't do well in the single test, he or she will not get a chance to qualify in another without losing a year. Second, it gives a student the right to select an institution of his or her choice by applying to particular institutions if multiple tests

Merit must be measured in terms of societal good. The policy of one nation, one test' requires a serious review and improvement.

are conducted. In centralised NEET counselling, he ends up with colleges which he may not want to join.

The NEET paper leak has created problems for over 2.3 million candidates. There are translation-related errors in the question paper. NEET does not test qualities that a doctor must possess, such as compassion, empathy and passion to serve humanity. And finally, one single test is not the correct yardstick. Global best practices give weightage to marks in qualifying examinations, extracurricular activities and the statement of purpose.

But NEET is considered the best option, as our judges and the government think it promotes merit. But is there consensus on what merit really means? British sociologist Michael

Dunlop Young's book *The Rise of the Meritocracy* (1958) popularised what is called 'meritocracy'. Meritocracy requires competition and equality of opportunity. Is it not a fact that the NTA and judges believe that the multidimensional construct of merit can be adequately, if not accurately, measured? When NEET and other such admission tests do not meet this fundamental criterion, competition cannot be termed as fair and just, and the equality of opportunity becomes illusory. There are scholars in the West who argue that common admission tests cannot measure abilities that are essential for learning, such as imagination, curiosity and motivation.

There is indeed an element of class in NEET, and the Justice AK Rajan Committee did find hard evidence of such elitism. The Justice Rajan report on the impact of NEET in Tamil Nadu substantiated arguments against a single test. A majority of the 86,342 people the panel spoke to were opposed to NEET. The diversity in Tamil medical institutions has been affected with the introduction of NEET. The percentage of students from rural areas has dropped from 61.45 per cent to 50.81 per cent.

Similarly, the percentage of candidates from government schools has gone down from 1.12 per cent to 0.6 per cent. The percentage of English-medium students — already

dominating medical education — went up from 85.12 per cent to 98.01 per cent. For students from economically poorer sections, it was a decline — from 47.42 per cent to 41.05 per cent. The number of first-generation learners has also dipped. If similar committees are appointed in other states, we may get similar findings. The Tamil Nadu Assembly did pass a law against NEET in 2021, but the Governor returned it in 2022. On the resubmission of the Bill, the Governor referred it to the President, who is unlikely to give her assent.

Moreover, with just one national test, commercial coaching institutes are making a lot of money. And since most of them are based in big cities, poorer students from a rural background and those who have studied in vernacular mediums remain at a disadvantage. There is also large-scale variation in the syllabus when it comes to the CBSE and state boards. If unequals are tested on the basis of one test, ie NEET, the mandate of equality is violated.

We need to redefine our notions of merit in terms of a more inclusive and plural society. Merit cannot lead to exclusion. He rightly held that the transformative vision of the Constitution cannot be buried by the myths around 'merit'. Merit must be measured in terms of societal good. The policy of 'one nation, one test' requires a serious review and improvement.

Views are personal

Focus on agriculture as the fulcrum of economic growth

SUBIR ROY
SENIOR ECONOMIC ANALYST

THE new government is expected to spell out a fresh policy to boost economic growth and improve consumption as well as investment. In the past decade, absolute power enabled the BJP-led government to formulate and push policies of its choosing swiftly without any concern over political opposition. Now, it is a different ballgame. The emphasis will be more on compromise and accommodation.

The chances are that economic growth will slow down a bit. Hence, the challenge will be to devise innovative ways to arrest the slide. It is hoped that technology will help turn the tide.

The government should focus particularly on agriculture. Modi 3.0 has made a good start on this front by releasing the PM Kisan Nidhi instalment of Rs 20,000 crore to transfer Rs 6,000 each per year into the bank accounts of over nine

crore farmers.

But there has to be a follow-up after the sop. There has to be a new technology policy to take agriculture forward. The government can take a cue from the success story which Madhya Pradesh crafted to transform agriculture. Perhaps fittingly, former CM Shivraj Singh Chouhan, who did a good job in his home state, will hopefully do it at the Centre too as the new Union Agriculture and Rural Development Minister.

During the 10-year period till 2022-23, agriculture grew in MP by 6.1 per cent on an average annually compared to the national average of 3.9 per cent. One way in which this was done was not by putting under the plough virgin land but by more cropping. By cropping on the same land, the net sown area went up multiple times.

Other than effectively having more land, Madhya Pradesh was able to get more water. It did not build new canals but instead had concrete lining done for existing ones, besides desilting, cleaning and fixing breaches. Thus, the state was able to get a lot of canal areas without having to dig in entirely new ones.

There should not necessarily be any effort by the Centre to get the states to

TURNAROUND: If farmers follow the right practices, yields can return to normal levels after some time. ISTOCK

go in for all this. There may be discord between states over groundwater drawn by irrigation tube-wells that run on subsidised power. The Centre needs to persuade the states to move away from this process so that the sharp drop in groundwater levels can be curbed.

The government also needs to spur agriculture by bringing in new technology. The use of fertilisers, which helped usher in the Green Revolution, is becoming passe. New technology is needed to protect crops from pests, pathogens and weeds.

Mechanisation and agro-

The need of the hour is to promote precision farming, which can give us more from less.

nomic intervention can be promoted. Tractors have practically replaced bullocks. Now, there are new ploughs that can do deep tillage, mix pulverised soil and break hardpan layers.

There is also new technology for irrigation — drip irrigation and laser land levellers which place seeds and fertilisers. What can be done can be visualised from the fact there are pomegranates being grown in Rajasthan on arid land through drip irrigation and water-soluble liquid fertilisers.

When it comes to the new technologies for which the Centre is seeking support

from the states, there is an overriding concern. The country needs to preserve land, water and air so that its citizens, who now number the largest in the world, are able to grow enough to preserve themselves. They also need to be able to cope with heat and pollution.

The new policies which have to be evolved must make the Centre and the states put their heads together so that biodiversity is preserved. The ever-growing number of people must be able to survive and thrive in a sustainable manner.

But the good news from academics is that if farmers follow the right practices, yields can return to normal levels after some time. What is needed are policy decisions with better and more scientific evidence instead of going back to nature as Sri Lanka attempted to do by trying to do away with fertilisers and Sikkim ventured to do as well.

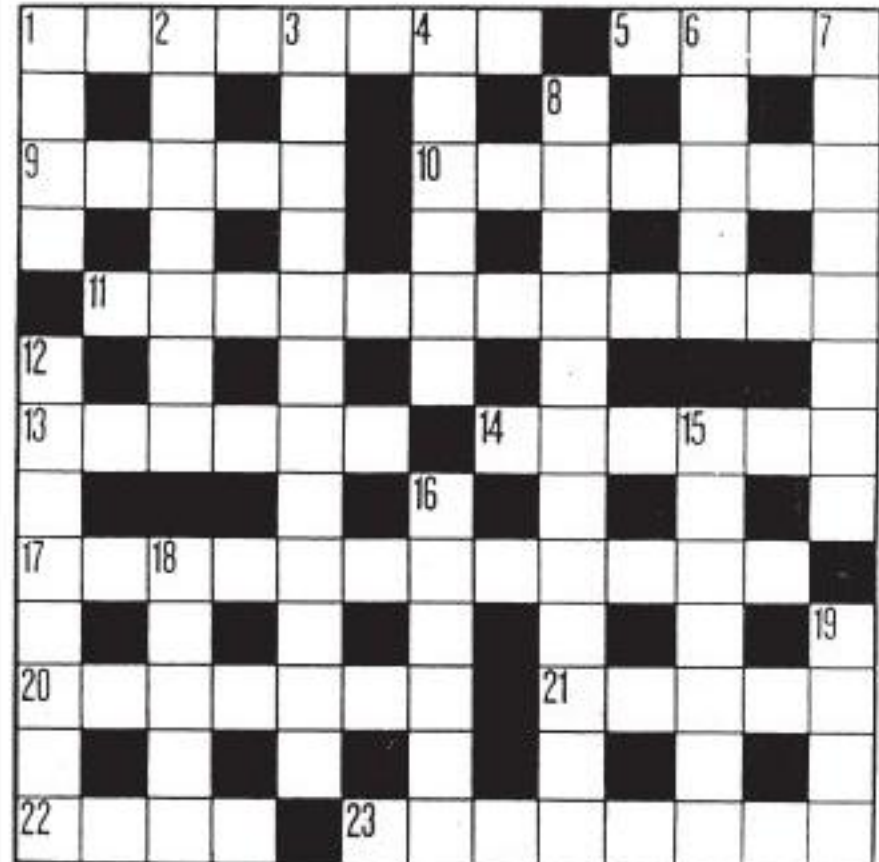

The need of the hour is to promote precision farming, which can give us more from less. Geographical information system, artificial intelligence and machine learning, which can use enormous data to bring about precision in farming, the use of sensors, drones, LEOs (low earth orbits), space tech-

nologies and cloud computing are all bursting out to provide the basis for a revolutionary epoch. Drips, hydroponics and aeroponics are available to get much more with very little exploitation of the planet's natural resources.

But what stands in the way of this is the political economy. Huge amounts of subsidy have been handed out by way of free power, free water and urea with 80-90 per cent subsidy. The subsidies may have been good in the 1960s and 1970s to meet the country's food deficit, but this has been continuing. Farmers in the northwestern region are continuing to grow the same paddy, wheat and sugarcane with state subsidy.

The initiative by the government to enact new farming laws was negated by a long, revolutionary agitation. There is now an absolute need to ensure limited use of natural resources. The irrational exploitation of nature's wealth must be severely curtailed, if not stopped eventually. This is what the new government must try to do. To be able to do this, the Centre will need to have a dialogue and reach an agreement with the states. These are the new dynamics which the election outcome has handed down.

PUBLIC NOTICE

For kind attention of allottees of the Real Estate Project - "RAS Basera" - an Affordable Group Housing Colony on land measuring 7.006 acres situated in Tehsil & District Kamal being developed by M/s RAS Development Pvt. Ltd.

1. The above-mentioned project was registered with HRERA, Panchkula vide Registration No. 283 of 2017 dated 10.10.2017 valid up to 25.07.2022. Thereafter, extension of registration for one year under Section-6 of RERD Act, 2016 along with extension for a period of nine months as a force majeure event due to Covid-19 was granted up to **25.04.2024**.
2. The promoter has requested the Authority that instead of revoking the registration on its expiry, the Authority may permit it to remain in force for the second year i.e. up to **25.04.2025** subject to such further terms and conditions as it thinks fit to impose in the interest of the allottees and any such terms and conditions so imposed shall be binding upon the promoter.
3. The Authority is considering the application of the promoter to permit continuation of registration under Section 7(3) of the Act for this project. However, the first right of refusal for carrying out of the remaining development works is that of the association of allottees. Therefore, the Authority hereby invites objections from the association of allottees in particular and any other concerned persons in general.
4. The objections shall be filed in the registry of the Authority before **21.06.2024** which will be considered by the Authority under Section 7(3) of the Act.

Executive Director,
HRERA, Panchkula.

2. The schedule for submission of e-bids for these zones and evaluation thereof shall be as under:-

Starting date and time for placing e-tenders	From 14th June, 2024 (9.00 AM)
Closing date and time for placing e-tenders	Till 14th June, 2024 (4.00 PM)
Evaluation of e-tenders	14th June, 2024 (5.00 PM)

3. The reserve price and quota of these 361 zones for the purpose of e-tendering has been decided as per the provisions of clause 2.16 and other relevant provisions of the Haryana Excise Policy 2024-25.

The zone-wise detail of reserve price and quota of these 361 zones shall be displayed in the excise arrangement.

4. The e-tenders for these zones can be submitted online through the official website of the department i.e. www.haryanatax.gov.in. The remaining terms and conditions of e-tenders and allotment of zones shall be same as informed vide the Public Notice, published in leading newspapers on 18th May, 2024, for inviting e-tenders for allotment of retail liquor zones of all districts in the State of Haryana. The copy of Public Notice dated 18th May, 2024 is also available on the official website of department i.e. www.haryanatax.gov.in. The detailed procedure of registration for participation in the allotment process and submission of e-tenders is also available on the official website.

4. The excise arrangements of these zones containing number of vends, liquor quota, location of vends, command area as applicable and reserve price thereof, as well as the venue for evaluation of e-tenders shall be conspicuously displayed in the office of DETCs (Excise) and DETCs (ST) of the districts concerned. These details shall also be available on the official website i.e. www.haryanatax.gov.in.

5. All allotment(s) and grant of licence(s) shall be subject to the provisions of the Haryana Excise Act, 1914, the rules framed thereunder, orders/instructions issued by the competent authority and the Excise Policy for the year 2024-25. Any clarification regarding the procedure may be obtained from the office of DETCs (Excise) in any of the districts. The copy of Haryana Excise Policy for the year 2024-25 is available on official website of the department.

6. All allotments of licenses are subject to the approval of the Excise and Taxation Commissioner (Financial Commissioner). The ETC (FC) may reject, without assigning any reason, any allotment in public interest as the case may be, within 10 days of the date of allotment. In case no decision of Excise and Taxation Commissioner (FC) is conveyed within the stipulated period of ten days, the allotment shall be deemed to have been approved by the ETC(FC).

Excise and Taxation Commissioner, Haryana.

Water with tanker mafia, taps dry: SC reprimands Delhi Govt

Tells it to list steps taken by Jal Board to check pilferage, wastage

SATYA PRAKASH

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12

The Supreme Court on Wednesday pulled up the Delhi Government for its failure to take action against the water tanker mafia in the national Capital which is facing an acute water crisis during peak summer.

"If you are not taking action, then we will hand over the matter to the Delhi Police to act against the mafia," a Bench led by Justice PK Mishra told senior advocate AM Singhvi who represented the Delhi Government.

"There is so much spillage... the tanker mafia is there. People are suffering. You are not doing anything. It's a recurring problem every summer. What have you done to prevent water wastage?... Have you taken any action or (filed) FIRs against the tanker

SAME STORY EVERY SUMMER

“There is so much spillage... the tanker mafia is there. People are suffering. You are not doing anything. It's a recurring problem every summer. What have you done to prevent water wastage? sc Bench

mafia? Tanker mafias get water and pipelines are running dry," the Bench said.

Solicitor General Tushar Menta had earlier pointed out that 52.35 per cent of water in Delhi either went waste or was pilfered by the water tanker mafia, leaving just 47.65 per cent water for Delhi people. The Bench directed the Delhi Government to file an affidavit detailing measures taken by the Delhi Jal Board to check pilferage and wastage of water in the national Capital and posted the matter for Thursday.

The Bench was perplexed to see that affidavits in support of

the Delhi Government's petition for a direction to Haryana to release surplus water provided by Himachal Pradesh were filed by Delhi Water Minister Atishi and not DJB officials, which was the norm.

Interestingly, the Himachal Government told the Bench that 137 cusecs of water was already flowing to Delhi. "Why didn't you inform the Upper Yamuna River Board on June 5? Why are false statements being made before this court?... We will straightway send your officer to jail for contempt," the Bench told Himachal advocate General Anup Kumar Rattan.

As the HP Government said 137 cusecs of water was already flowing to Delhi and the NCT Government maintained that it did not reach Delhi, the Bench wondered, "If water is coming from Himachal then where is the water going in Delhi?" Rattan, who appeared through video conferencing, said he would explain it to the Bench on Thursday.

Singhvi and advocate Shadan Farasat submitted on behalf of the Delhi Government that the tankers were of the Delhi Jal Board. They said the Delhi Government would file an affidavit detailing the steps taken to deal with pilferage of water. Represented by senior advocate Shyam Divan and Senior Additional Advocate General Lokesh Sinhal, the Haryana Government said there was no unutilised water available with HP and that the court was being misled.

Majhi sworn in as Odisha CM

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12

Mohan Charan Majhi, a four-time MLA from Keonjhar and a tribal leader, was on Wednesday sworn in as the first BJP CM of Odisha.

PM Narendra Modi attended the swearing-in ceremony in Bhubaneswar and was seen exchanging pleasantries with Biju Janata Dal chief Naveen Patnaik, who had accepted the BJP's invitation to grace the event.

Patnagarh MLA KV Singh Deo and debutant from Nimapara segment Pravat Parida took oath as Deputy CMs. This is the first time that a BJP govern-

Will force govt to act on Oppn agenda: Rahul in Wayanad

SHUBHADEEP CHOUDHURY

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12

Congress leader Rahul Gandhi on Wednesday said a strong presence of the Opposition in the new Lok Sabha would force the government to act on its agenda.

Rahul, who addressed a thanksgiving meeting at Wayanad in Kerala, refrained from disclosing his choice of seat he would retain. "There must be a lot of speculation. Even I don't know the answer. A decision would be taken that would make the people of both Raebareli and Wayanad happy," he said.

He said PM Narendra Modi,

Says no decision yet on which seat to vacate

Congress leader Rahul Gandhi at a rally in Wayanad, Kerala. PTI

who did not address a single press conference in the past 10 years, suddenly started giving interviews to journal-

ists before the Lok Sabha elections. When an interviewer asked Modi how he took "difficult" decisions, he

Monsoon sluggish, heatwave to stay

NEW DELHI, JUNE 12

A sluggish southwest monsoon on Wednesday covered large parts of Maharashtra, awaiting a fresh pulse to march across central and northern India, which continued to reel under intense heat conditions.

The IMD said monsoon could cover Odisha, coastal Andhra Pradesh and north-west Bay of Bengal during the next three to four days.

Heatwave conditions were observed in most parts of Punjab, Haryana, Chandigarh, Delhi, Uttar Pradesh and Jharkhand. — PTI

In choice of ministers, JD(U)'s balancing act

AKSHEEV THAKUR

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12

The inclusion of JD(U) leaders Lalan Singh as a Cabinet minister and Ramnath Thakur as a minister of state in the new NDA government reflects a careful balance of caste representation by Bihar CM Nitish Kumar, who will be facing Assembly elections in the state next year.

Lalan Singh is an upper caste Bhumihar with a strong influence in Munger. The choice of Thakur is expected to woo Extremely Backward Castes (EBCs). His father Karpooi Thakur, who was conferred the Bharat Ratna recently, is widely regarded as the pioneer of OBC and EBC reservations in the country.

In the recent caste survey conducted by the Bihar Government, EBCs were found to be the largest social group in the state. The JD(U), which won 12 Lok Sabha seats, has

emerged a key ally of the BJP in the new NDA government.

"Both Ramnath Thakur and Lalan Singh were our choices for ministerial berths. Nitish Kumar has drawn inspiration from Karpooi Thakur. Since Karpooi is a highly revered figure among the EBCs, it will help us play up the symbolism. With Lalan Singh's induction into the Cabinet, the Bhumihar community will not feel alienated," said a senior JD(U) leader.

Thakur has been preferred over other EBC leaders such as Rampreet Mandal, Jhanjharpur MP, and Dileshwar Kamat, Supaul MP. "We are gearing up for the next year's Assembly polls and the caste combination is very important for us. The RJD's vote share was good, though they lost seats. Even the Left parties scored well. So it is important for us to start preparing for the elections right away," the JD(U) leader said.

Bonhomie after bitterness

PM Narendra Modi being greeted by former Odisha CM Naveen Patnaik in Bhubaneswar on Wednesday. PTI

replied that god told him what to do. He even claimed he was not a biologically born person and had a touch of divinity about him, Rahul said.

"Does Modi's god not tell him to help farmers, poor people, workers and unemployed youth. The god only tells him to help Adani and Ambani," he alleged, adding the PM's claims smacked of arrogance as this was his way of telling people that he was not like other countrymen. He said the people of the country had inflicted a huge blow to the BJP, rejecting its "hatred, violence and arrogance".

Prioritise farm issues, Chouhan tells officers

NEW DELHI, JUNE 12

Union Agriculture and Farmer Welfare Minister Shivraj Singh Chouhan on Wednesday asked officers to focus exclusively on farmer-oriented works as part of the government's first 100-day push in the segment.

After chairing a meeting regarding the 100-day action plan of the ministry, he said special attention must be paid to raising agricultural production, productivity and quality.

Chouhan, while taking presentations on all aspects of the departmental action plan for the first 100 days in the third term of the government, gave directions to take strong steps to strengthen the country's agriculture sector and to reduce the pain and suffering of farmers.

He said the availability of quality fertilisers, seeds and other inputs to farmers should be ensured on priority basis. Meanwhile, former Rajasthan Chief Minister Vasundhara Raje met Chouhan in Delhi. — TNS

1) It is hereby informed to general public that construction of building, Plantation of trees within the width of Right of Way of 66 KV Transmission Lines i.e. 18 meter as per the guidelines issued by Ministry of Power, Government of India vide their Letter No. 3/7/2015 Dated: 15.10.2015, excavation of earth, each up to 26.2 feet (8 meter) near the tower/structures are criminal offences punishable under Electricity Act, 1910 (Rule-18, Sub rule-3). Any type of construction activity, construction of building, plantation of trees, digging of land is covered under preview of CEA regulation 2010 clause 58, 60, 61, 63 and Indian electricity Rules 1956 Sec. 77, 79, 80 & 82. The inadequate clearance can interrupt the transmission of Electricity and create hurdle for the maintenance of lines. There is danger to persons and property of owner of building/Plants. Also no vehicle/Pet animals should be parked/tethered in the RIGHT OF WAY of Transmission Lines. This Office/PSPCL will not be responsible for any kind of damage/loss to persons/property occurred due to breakdown of conductor/bursting of insulator strings/collapsing of tower etc.

2) All the violators of the rules and Act are hereby requested to remove their buildings/Trees and reinforce the earth/sand/clay near the tower/Structures of E.H.T. lines at the earliest. If anyone violates the rule, strict action will be taken against him/her and he/she will be held fully responsible for any kind of loss/damage to PSPCL property or any third party.

3) Government/Non-Government Organizations, Social Activists and all citizens are requested to help this office by reporting such violations to the AET/L Sub-Division, PSPCL, Sri Muktsar Sahib or Sr. XEN, O&M Division, PSPCL, Sri Muktsar Sahib.

4) It might be possible that some nearby Villages, Localities may be missed/left in the above given transmission lines routes. This does not imply that those Villages can violate the rules, they also have to follow the same rules strictly.

5) If any cable/wire find on conductor then immediately report to the office on the above mentioned numbers, so that cable/wire can be removed after taking permit on the line.

If name of any Colony or Village is not included in above list it doesn't mean that the residents of that area can defy the above rules, however, all residents residing/working in such areas strictly abide by these guidelines.

Over 80 dead as boat capsizes in Congo river

BENI, JUNE 12
More than 80 people have been killed in a boat accident on the Kwa river in the Democratic Republic of Congo's Mai-Ndombe province, the country's presidency said on Wednesday.

Deadly boat accidents are common in the waters of Congo, where vessels are frequently loaded well beyond their capacity. "The President of the Republic is calling for an investigation into the true causes of this unfortunate incident, to prevent such a disaster from happening again in the future," the presidency said on X. — Reuters

Nobel laureate Yunus indicted in graft case

DHAKA, JUNE 12
ADhaka court today indicted Nobel Laureate Muhammad Yunus and 13 others for embezzling more than USD two million from the dividends of the employees of a telecom company.

Judge Syed Arafat Hossain of Dhaka Special Judge Court 4 rejected a plea for the dismissal of charges by the accused and ordered the indictment. "Judge Hossain read out the charges as Dr Yunus and the co-accused were on the dock and fixed the date for starting the trial hearing on July 15," a prosecution lawyer said.

Muhammad Yunus won the Nobel Peace Prize in 2006.

Counsels for Yunus, 83, and the 13 others accused – all currently on bail – pleaded not guilty and demanded exemption of the clients but the court rejected the plea saying the charges brought against the accused were primarily proved. — PTI

GAZA CEASEFIRE DEAL

Some changes proposed by Hamas unworkable, says US

BEIRUT, JUNE 12
US Secretary of State Antony Blinken said on Wednesday that the war in Gaza would go on after Hamas proposed "numerous" changes to a US-backed cease-fire plan, some that he said were "workable" and some not.

He did not spell out what the changes were. Speaking to reporters in Qatar, Blinken said the US and other mediators will keep trying to "close this deal." Blinken is in the region to push a cease-fire proposal with global support that has not been fully embraced by Israel or Hamas. The militant group submitted its first official response late Tuesday, requesting "amendments" to the deal.

The American's comments came as Lebanon's Hezbollah fired a massive barrage of rockets into northern Israel to avenge the killing of a top commander, further escalating regional tensions.

A plane disperses fire retardant to extinguish a blaze sparked in Israel by rocket fired from Lebanon. REUTERS

Hezbollah, an Iran-backed ally of Hamas, has traded fire with Israel nearly every day since the 8-month-long Israel-Hamas war began and says it will only stop if there is a truce in Gaza. That has raised fears of an even more devastating

regional conflagration. Air raid sirens sounded across northern Israel, and the military said that about 160 projectiles were fired from southern Lebanon, making it one of the largest attacks since the fighting began. There were no immediate reports of casualties as some were intercepted while others ignited brush fires.

Hamas has expressed support for the broad outline of the deal but wariness over whether Israel would implement its terms.

Hamas spokesman Jihad Taha told the Lebanese news outlet ElNashra that the "amendments" requested by the group include guarantees of a permanent cease-fire and the complete withdrawal of Israeli forces from Gaza.

Hamas's official reply to the proposal, which it conveyed to mediators on Tuesday, appeared to be short of outright acceptance but kept negotiations alive.

Qatar and Egypt, which have been key mediators alongside the United States, said they were studying it. Blinken is on his eighth visit to the region since the start of the war. — AP

US imposes new sanctions on Russia

WASHINGTON, JUNE 12
The US widened its sanctions against Russia today as G7 leaders prepared to gather in Italy for a summit where the top priorities will be boosting support for Ukraine and grinding down Russia's war machine.

Wednesday's package targeted Chinese companies which help Russia pursue its war in Ukraine and raised the stakes for foreign financial institutions which work with sanctioned Russian entities. The US has sanctioned more than 4,000 Russian businesses and individuals since the war began. — AP

RUSSIAN WARSHIPS
ENTER CUBAN WATERS

- Russian navy ships churned into Havana harbour on Wednesday, a stopover the US and Cuba said posed no threat but which was widely seen as a Russian show of force as tensions rise over the Ukraine war.
- The first to arrive was a fuel ship, the "Akademik Pashin" and a tug the "Nikolay Chiker," while a Russian navy frigate and nuclear powered submarine waited offshore and were expected to enter the harbour by mid-morning.
- The warships are scheduled to take part in joint exercises between Russia and its long-standing Caribbean ally.

Retail inflation eases to 12-month low of 4.75%

NEW DELHI, JUNE 12
Retail inflation eased to a one-year low of 4.75 per cent in May as prices of some kitchen items declined marginally, according to government data released on Wednesday.

The Consumer Price Index (CPI) based retail inflation was 4.83 per cent in April 2024 and 4.31 per cent in May 2023 (previous low).

Inflation in the food basket was 8.69 per cent in May, marginally down from 8.70 per cent in April, according to the data released by the National Statistical Office (NSO).

Headline inflation has seen sequential moderation since February 2024, albeit in a narrow range from 5.1 per cent in February to 4.8 per

Inflation in the food basket was 8.69% in May, marginally down from 8.70% in April

cent in April 2024. The government has tasked the Reserve Bank to ensure the CPI inflation remains at 4 per cent with a margin of 2 per cent on either side.

Earlier this month, the RBI projected the CPI inflation for

2024-25 at 4.5 per cent, with Q1 at 4.9 per cent, Q2 at 3.8 per cent, Q3 at 4.6 per cent, and Q4 at 4.5 per cent.

The central bank mainly factors in the retail inflation while arriving at its bi-monthly monetary policy. — PTI

IN BRIEF

PLI scheme to attract ₹3-4L cr investment

NEW DELHI: The PLI scheme is expected to attract investments of Rs 3-4 lakh crore in the next four years and generate 2 lakh jobs as large projects in sectors, including semiconductor and pharmaceutical intermediaries, are expected to take off, the ICRA said. [PII](#)

Govt initiatives work as toy exports rise

NEW DELHI: Government measures such as mandatory quality control and increasing customs duty have helped boost exports of toys from India, a top government official said on Wednesday. [PII](#)

Deposit rates at peak, may now move down: SBI chief

NEW DELHI, JUNE 12
State Bank of India (SBI) Chairman Dinesh Kumar Khara has said that deposit rates have peaked and will move southward in the medium term.

The country's largest lender also said the RBI may start easing the interest rate cycle from the third quarter of the current financial year.

Last week, the Reserve Bank of India (RBI) left its key interest rates unchanged for the eighth time in a row, keeping the focus on inflation amid robust economic growth.

"We are hoping that in the third quarter starting from October, perhaps there would be some possibility of inflation trajectory moving towards 4 per cent, and that will be the right time when we can expect some interest cut (from RBI)," he said.

As far as the interest rate in the banking system is concerned, the SBI chairman said more or less they have already peaked.

"...I think, if we look at the medium-term trajectory of interest rate, perhaps it would be a downward trend," he said. — PTI

IEA: India to lead world in fuel demand growth

NEW DELHI, JUNE 12
India, the world's third biggest oil importer and consumer, will in the second half of the decade become the driver of global oil demand, the International Energy Agency (IEA) said today, forecasting rise in consumption by a massive 1.3 million barrels between 2023 and 2030.

In its Oil 2024 Report, the Paris-based energy watchdog said India's demand is projected to rise from 5.4 million barrels per day (bpd) in 2023 to 6.7 million bpd by 2030, a growth of 3.2 per cent or 1.3 million bpd. — PTI

Maruti unveils 'Dream Series Limited Edition'

CHANDIGARH, JUNE 12
Maruti Suzuki India Limited (MSIL) has introduced 'Dream Series Limited Edition' for three popular models namely Alto K10 VXI+, S-Presso VXI+ and Celerio LXI, all priced attractively at Rs. 4.99 lakh.

Additionally, the Company has announced a price reduction for AGS (Auto Gear Shift) variants of select models such as Alto K10, S-Presso, Celerio, Wagon-R, Swift, Dzire, Baleno, FRONX and Ignis.

Partho Banerjee, Senior Executive Officer, Marketing & Sales at MSIL, said: "Our

'Dream Series Limited Edition' models and reduced AGS prices demonstrate our dedication to make car ownership and advanced technology accessible to a wider section of society." The 'Dream Series Limited Edition' models will only be available for the month of June. — TNS

Injustice: Stimac bemoans ‘dream-killing’ goal

DOHA, JUNE 12
India football coach Igor Stimac said “injustice” was done and his team’s “dream was killed” by the blatantly “irregular” goal that allowed Qatar to claw back and clinch the must-win World Cup qualifying match here.

India suffered a 1-2 defeat at the home of the two-time Asian champions to bow out of contention from the third round of qualification for the 2026 FIFA World Cup. The visitors were leading 1-0 before Qatar scored the contentious equaliser.

In the 73rd minute, Abdullah Alahrak’s free-kick saw Yousef Ayem attempt a header, which was saved by India skipper and goalkeeper Gurpreet Singh Sandhu. But as the custodian lay on the ground seeing the ball roll over the line, Hashmi Hus-

sein kicked it into play with Aymen slotting it into the net.

According to FIFA rules, “the ball is out of play if it is wholly passed over the goal line or touchline on the ground or in the air.”

Since the ball visibly rolled out of play, the game should have been stopped and then resumed with a corner kick as Sandhu was the last player to come in contact with the ball before it went out.

“Qatar were lucky tonight, especially because they came back from 0-1 with an irregular goal. I can confirm that now because I have seen the replay. The whole ball was out of play and the goal was given,” Stimac didn’t mince words as he spoke about it.

“It shouldn’t be happening in today’s football because that goal changed everything in this game. It could’ve hap-

The heartbreaking loss to Qatar also puts Igor Stimac’s future as India coach in doubt. AIFF

pened to Qatar today and I would say the same. I’m not looking for an excuse. I feel sad that when you have 23 boys working really hard and living the dream, to achieve something, and that dream is killed because we didn’t stop

AIFF seeks probe into controversial goal

NEW DELHI: The All India Football Federation (AIFF) has sought an investigation into the controversial goal awarded to Qatar in their crucial World Cup qualifying match in Doha, AIFF president Kalyan Chaubey said today while urging the concerned authorities to “address the injustice”.

The AIFF chief said India have asked for a thorough investigation into the goal that was allowed by South Korean referee Kim Woo-Sung despite the ball clearly going out of play. “Victory and defeat are part and parcel of the game, we have learned to accept gracefully, although one of the two goals scored against India yesterday night left a few questions unanswered,” Chaubey said in a statement.

“We have written to FIFA Head of Qualifiers, AFC Head of Referees, and the match commissioner, regarding the grave supervision error that practically cost us a place in the FIFA World Cup qualifiers Round 3,” he said. PTI

Tuesday, a crestfallen Stimac was not so sure.

“That’s something we need to discuss internally in the next few weeks where our futures stand. There is nothing I can tell you now,” the 56-year-old said. “What I

can tell you is that it was obvious tonight that India has a good future in football. Many people will say that Qatar played with a reserve team, but our team is not that older than the Qatari team today,” he added. — PTI

WFI keen to host Asian Championships

VINAYAK PADMADEO
THIRU NE NEWS SERVICE

NEW DELHI, JUNE 12
International wrestling could return to Indian shores after a hiatus of two years as the Wrestling Federation of India (WFI) has decided to bid for the 2025 Senior Asian Wrestling Championships, U-23 and U-17 championships.

Their bid is currently being evaluated by the United World Wrestling (UWW).

The UWW had taken away the hosting rights from India in 2023 after wrestlers, including Vinesh Phogat, Sakshi Malik and Bajrang Punia, had protested against the then WFI president Brij Bhushan Sharan Singh.

Amidst the uproar, the UWW had withdrawn the

Federation looking to host three events

Senior Asian Championships and had awarded it to Kazakhstan. This despite the fact that the ad-hoc committee, which was set up to run its daily affairs after the WFI’s suspension, had shown interest to host the event in Delhi in March-April last year.

At present, UWW’s senior competitions manager Ramil Ahmadov is in New Delhi to inspect the venues and other facilities. “We are hopeful of hosting the Asian Championships. A UWW representative is already in the city to see our preparedness,” a source told *The Tribune*.

Zampa spins Aussies to win

Spinner shines as Oz annihilate Namibia to secure Super 8 spot

NORTH SOUND (ANTIGUA), JUNE 12
Leg-spinner Adam Zampa starred again in the middle overs as Australia annihilated Namibia by nine wickets to qualify for the Super 8 stage of the T20 World Cup here.

Australia put up a complete bowling performance to dismiss Namibia for a meagre 72 before gunning down the target in just 34 balls with Travis Head and skipper Mitchell Marsh remaining not out on 34 and 18, respectively.

With three wins in a row, Australia stormed into the Super Eight from Group B with a match in hand. They take on Scotland at Gros Islet in their concluding group fixture on Saturday.

For Namibia, it was their second loss in three games, eliminating them from the Super 8 race. Scotland and England are fighting for the second spot from the group.

Josh Hazlewood (2/18) removed the Namibian openers Michael Van Lingen and Niko Davin before Zampa (4/12) got into the act to run through Namibia, who ended with their lowest total in T20 Internationals.

Zampa reached a major landmark in the game as he became the first Australian bowler to take 100 wickets in T20Is.

Opening the bowling alongside Hazlewood, Marcus Stoinis (2/9) also took a couple of wickets while skipper Pat Cummins and Nathan Ellis chipped in with a wicket each.

Australia’s Adam Zampa has tallied eight wickets in three games. ICC

“I thought it was a great performance from the bowling team. Swing was around and all-round a professional performance. It’s really important and great to qualify for the Super 8s,” said Marsh after the thumping win on Tuesday night.

He reserved special praise for Zampa. “If you look at his career over the last 4-5 years, he is probably our most important player,” he said.

Brief scores: Namibia: 72 all out in 17 overs (Erasmus 36; Zampa 4/12; Stoinis 2/9; Hazlewood 2/18); Australia: 74/1 in 5.4 overs (Head 34*, Marsh 18*). — PTI

Arshdeep Singh recorded a career-best figures of 4/9 as India restricted co-hosts USA to 110/8 in their match. AP/PTI

SL stare at exit after washout

LAUDERHILL: Former champions Sri Lanka are on the brink of an early exit from the T20 World Cup after heavy rain washed out their Group D match against Nepal here on Tuesday.

The 2014 champions badly needed a win to keep their tournament hopes alive after defeats by South Africa and Bangladesh in their first two matches.

Wanindu Hasaranga’s team are bottom of the group with just one point and look certain to crash out unless other results go their way.

“It’s not going to be easy for us and it would be a miracle actually,” Sri Lanka spinner Maheesh Theekshana said of their chances of advancing.

They will conclude their group campaign against the Netherlands on Sunday and Theekshana acknowledged nothing had clicked for them in the 20-team tournament. “We didn’t bat well, we didn’t assess the conditions really well and our plans, everything went wrong,” the off-spinner said. REUTERS

1
Australia’s Zampa reached a major landmark as he became the first Australian bowler to take 100 wickets in T20Is

NEW DELHI, JUNE 12
Two-time world champion Nikhat Zareen is unperturbed about potentially facing tough opponents in the early stages of her maiden Olympics, saying that she performs better when she is handed a difficult draw.

The 27-year-old qualified for the Paris Games in the 50kg class during the Asian Games in October last year.

“In the Olympics, there is no seeding, no ranking. So, it’s all about your luck there. I don’t know whom I’ll be facing in the first round or in the second round,” Zareen said.

Zareen is no stranger to taking the tough route to winning a tournament. Unseeded after moving down from 52kg to 50kg, she had won her second World Championships title last year in New Delhi.

“Seeding doesn’t matter that much because there are a lot of boxers who even after seeding, don’t win a medal. But I have also noticed that whenever I have a tough

“As the days are going by I’m getting nervous. It is my thing because when I’m nervous, my body works well and I’m more focused. Whenever I have a tough draw, I perform well at that time, Nikhat Zareen

draw, I perform well at that time,” she said.

Zareen won silver at the prestigious Strandja Memorial tournament earlier this year before winning at the Elorda Cup in May. — PTI

Panghal wants to train in Shillaru

NEW DELHI: Olympic-bound world championships silver medalist boxer Amit Panghal wants to train at SAI’s high-altitude training centre in Shillaru for the Paris Games rather than preparing abroad. The boxer from Rohtak desired to train at SAI’s Netaji Subhash High Altitude Training Centre in Shillaru, Himachal Pradesh, which he said will help him strengthen his endurance, one of the areas that Panghal has been focussing on. “I am planning for high-altitude training in Shillaro. If that happens it will be great for me,” Panghal said today in a press conference. “I am focussing on endurance. After cutting weight I feel fatigued in the third round. So, I am working to increase it,” he added. PTI

Nadal, Alcaraz to team up at Olympics

Carlos Alcaraz has set sights on winning an Olympics medal. FILE

MADRID, JUNE 12
Rafael Nadal and Carlos Alcaraz will play doubles together for Spain at the upcoming Paris Olympics, the Spanish tennis federation said today.

The announcement comes three days after the 21-year-old Alcaraz won the French Open for the first time — earning his third Grand Slam trophy.

The same courts used for the French Open each year will host Olympics tennis. Nadal has won the French Open a record 14 times.

Alcaraz, who will play in his first Olympics, is widely seen

as the heir to Nadal in Spanish tennis, and has frequently remarked that Nadal was his childhood hero. “Rafa and Carlos will be playing together in Paris,” said Spain captain David Ferrer while announcing the squad.

Alcaraz has set winning an Olympics medal for Spain as one of his top career goals. He said after winning at Roland Garros that this year he would prefer a gold medal at Paris over defending his Wimbledon title. The other Spain players in the men’s team will be Pablo Carreno Busta, Alejandro Davidovich and Marcel Granollers. — AP

Scheffler wears arresting smile heading into US Open

US OPEN
PINEHURST (USA), JUNE 12
World No. 1 Scottie Scheffler says he is fully focused on the US Open and picking up a sixth win of the season in Pinehurst, North Carolina, having put his arrest at the PGA Championship behind him.

Since March, Scheffler has played eight events and won five, including the Masters. On two other occasions he was a runner-up.

His worst result in that red-hot patch was a tie for eighth at the PGA Championship in Louisville three weeks ago.

He still threatened to win the Major even after he was arrested before the second round over a traffic stop involving a police officer at the entrance to the Valhalla Golf Club.

Scheffler was charged on May 17 with four counts, including felony second-degree assault on a police officer. The charges were later dropped.

Like so much else in his life the laid back American has taken everything in his stride, never losing his focus

Scottie Scheffler during a practice round. USA TODAY SPORTS/REUTERS

or good nature.

Scheffler said he does not like reliving the incident but also had a chuckle over a viral video parodying the situation.

The video posted on X shows a fan pulling into a parking lot for a tournament in Louisville with a dummy wearing a police uniform dangling from the driver’s side window prompting a huge laugh and the comment, “Scottie Scheffler is here today”.

“It’s kind of hard not to laugh about the guy who did that,” Scheffler said with a

smile at his press conference on Tuesday. “I didn’t see any videos. Xander (Schauffele) did tell me about it yesterday. He got a pretty good kick out of it. If all they did was make fun of me, it would be different. It wouldn’t be as fun but they’re great guys, and they’re great friends. So you’ve got to be able to look in the mirror and laugh at yourself, too.”

What Scheffler’s fellow golfers are not finding so funny is the roll the 27-year-old is on and which has him as the runaway favourite at Pinehurst No. 2. — Reuters

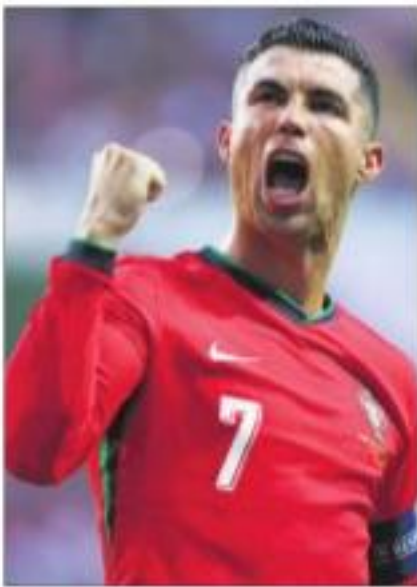

Ronaldo warms up for Euros with brace

LISBON, JUNE 12
Cristiano Ronaldo scored two goals to help Portugal beat Ireland 3-0 on Tuesday in a final warm-up before Roberto Martinez’s team heads to the European Championship in Germany.

The 39-year-old Ronaldo’s second-half double followed Joao Felix’s opener at Aveiro Municipal Stadium south of Porto.

Portugal face Czech Republic next Tuesday in Leipzig. They also will play Turkey and Georgia in Group F.

Ronaldo, who sat out last week’s friendlies against Finland and Croatia, hit the post with a free-kick in the 22nd

Cristiano Ronaldo also hit the post with a free-kick. REUTERS

minute shortly after Felix’s goal. He then scored in the 50th and 60th minutes. — AP

Spain banking on family feeling, says Pedri

BERLIN: Spain’s dressing room is filled with leaders and their biggest asset at this month’s European Championship will be the strong bonds between the players, midfielder Pedri said. Spain’s young and talented core of players have worked extensively with manager Luis de la Fuente, who was part of the national team’s youth set-up between 2013-2022 before taking charge of the senior team. “I think that these last few days we have talked about it, that the greatest asset we have is that we are a team, we are a family both on and off the field,” Barcelona’s Pedri told reporters on Tuesday. “The leader is the team as a whole. There are many players that are captains that help us a lot, they act as leaders, but I think the big difference with all the teams is that we are a team and there is no leader.” REUTERS

Take strong action against anti-India elements, Centre tells Canada

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12 Just two days ahead of the G7 summit in Italy, where Prime Minister Narendra Modi and his Canadian counterpart Justin Trudeau are scheduled to be present, India on Wednesday said it expected Canada to take "strong action against anti-India elements".

This comes just a week after India and Canada were locked in a war of words over a tableau depicting the assassination of former PM Indira Gandhi at a procession at Brampton to mark the 39th anniversary of Operation Blue Star.

Foreign Secretary Vinay Kwatra, on being asked if Canada or India has sought a bilateral meeting on the sidelines of the summit, refused to commit saying the schedule for bilateral meetings is not yet decided. He added "the main issue with regard to Canada continues to be the political space that it provides to anti-India elements. We have repeatedly conveyed deep concerns. We expect them to take strong action".

In June 8, External Affairs Minister S Jaishankar criticised Canada saying its continues to give space to "separatists, extremists and people who advocate violence".

At G7, PM to attend 'outreach' sessions; AI, energy on agenda

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12 Prime Minister Narendra Modi will attend the 'outreach sessions' at the G7 summit in Italy where the agenda will focus on artificial intelligence, energy, Africa and the Mediterranean.

Roreign Secretary Vinay Kwatra on Wednesday said PM Modi's participation at the G7 summit would provide an opportunity to follow-up on outcomes of the G20 summit held under India's presidency last year. The agenda of the outreach sessions is to be discussed on June 14.

For the outreach sessions, Italy, which is holding the G7 presidency, has invited Algeria, Brazil, Argentina, Egypt, Mauritania, Saudi Arabia, South Africa, Tunisia, Türkiye and the UAE.

On being asked about the possibility of the Russia-Ukraine war dominating the discussion, Kwatra said, "We will be sharing our perspective on Ukraine. We have always maintained that dialogue and diplomacy is the best option to resolve the conflict."

The G7 summit is to be held in the luxury resort of Borgo

MODI TO MEET MELONI

■ On the sidelines of the G7 summit, a bilateral meeting of PM Narendra Modi and his Italian counterpart Giorgia Meloni has been scheduled. They will review the strategic partnership, said the Foreign Secretary

Egnazia in Italy's Apulia region from June 13 to 15.

President Joe Biden, his French counterpart Emmanuel Macron, Japanese Prime Minister Fumio Kishida and Canadian Prime Minister Justin Trudeau are among the top leaders attending the summit. Ukrainian President Volodymyr Zelenskyy is also scheduled to attend the session on the Russian invasion of his country. The Foreign Secretary said India's regular participation in the G7 summit points to increasing recognition of New Delhi's efforts to address global challenges.

On the sidelines of the G7, a bilateral meeting of PM Modi and his Italian counterpart Giorgia Meloni has been scheduled. They would review the strategic partnership, said Kwatra.

Italy has joined key India-led global initiatives such as International Solar Alliance, Coalition for Disaster Resilient Infrastructure, Indo-Pacific Ocean Initiative, Global Bio-Fuels Alliance and India-Middle East-Europe Economic Corridor, reflecting growing convergence of views on important global issues.

The trade between the two countries was \$15 billion in

2022-23 with Indian exports being worth \$8.691 billion.

Indian investment in Italy is estimated around \$400 million. Indian companies in Italy are mainly in IT, pharma, electronics, manufacturing and engineering sectors.

There are more than 700 Italian companies in India, with an estimated employment of about 60,000 and an overall turnover of 9.7 billion euro. Responding to a question, Kwatra said India would participate in the peace summit in Switzerland at an appropriate level. He did not specify who will represent India at the summit.

First session of 18th LS from June 24, full Budget in July

TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12 The first session of the 18th Lok Sabha will be held from June 24 to July 3, with the oath taking of newly elected MPs, Speaker's election and the President's address to both Houses of Parliament on the agenda.

The first full Budget of the BJP-led NDA government will be presented later in July, with Finance Minister Nirmala Sitharaman on track to become India's first PM to make seven back-to-back Budget presentations — six full and one interim (presented in February ahead of the 2024 Lok Sabha session).

In doing so, Sitharaman will surpass predecessor Morarji Desai's record of presenting six Budgets in a row. The first session of the 18th Lok Sabha will begin on June 24 and conclude on July 3.

Union Parliamentary Affairs Minister Kiren Rijiju revealed the session schedule on Wednesday. "First session of the 18th Lok Sabha is being summoned from June 24 to July 3 for oath and affirmation of newly elected members, election of Speaker, President's address and discussion thereon. The 264th session of Rajya Sabha will also commence on June 27 and con-

LEADER OF OPPN AFTER 10 YEARS

■ For the first time after 10 years, the Lok Sabha will see a recognised Leader of Opposition. The Congress has on its own reached 99 MPs in the Lok Sabha for the first time in a decade. It had 44 MPs in the 16th Lok Sabha and 52 in the 17th

■ Both the Lok Sabhas had no recognised Leader of Opposition, a post that requires a party to win 10% of the 543 seats

clude on July 3," Rijiju said.

The first two days will see new MPs taking oaths. The third sitting will see election to the post of Lok Sabha Speaker, with the Opposition also mulling a contest.

In the past four Lok Sabhas — 2004, 2009, 2014 and 2019 — the Speaker was either the ruling party's or the ruling bloc's nominee and was elected unopposed — Somnath Chatterjee, Meira Kumar, Sumitra Mahajan and Om Birla, respectively.

As per Article 94 of the Constitution, the office of Lok Sabha Speaker falls vacant immediately before the first meeting of the new Lok Sabha and duties of the Speaker are performed by a member of the

House appointed for the purpose by the President as Pro tem Speaker.

Pro tem Speaker presides over oath taking by new MPs and is normally the senior-most MP of the House. In the 18th Lok Sabha, Congress' K Suresh is the senior-most MP.

After the Speaker's election, President Droupadi Murmu will address a joint sitting of the Lok Sabha and the Rajya Sabha on June 27 to delineate the new government's vision and approach. PM Narendra Modi will later introduce his Council of Ministers to Parliament and also reply to the debate on the Motion of Thanks on the President's address.

NTA: No paper leak, but 63 unfair means cases in NEET

AKSHEEV THAKUR
TRIBUNE NEWS SERVICE

NEW DELHI, JUNE 12 The National Testing Agency (NTA) on Wednesday reiterated its claim that there has been no case of paper leak, but added that there were 63 cases of "unfair means" in the NEET-UG exam.

Amid allegations of paper leak, NTA clarified its stance on its website. "It is to be noted that none of the reports are backed with evidence that may indicate a paper leak. These cases seem to be related to cheating or impersonation and not to paper leaks. While the outcome of the investigation in aforesaid cases is awaited, NTA has categorically denied any case of paper leak," NTA said.

NTA informed that it has recently received communication from the Patna police regarding the requirement of documents concerning certain candidates. "All relevant information have been proactively provided to them," NTA said.

In cases of unfair means, NTA said a committee was constituted consisting of three eminent experts in the field of examination and academics to look into different types of issues reported such as impersonation, cheating, unfair means cases, and tampered OMR.

"The total number of unfair means cases in NEET-UG was

NSUI protests against the National Testing Agency in Bhopal. PTI

63. On the recommendation of the committee, a total of 12 candidates were debarred from the NEET-UG for three years, nine for two years, and one candidate for a year. As many as 32 candidates were given the "Result Later" status till a detailed report was received. NTA has also registered cases against impersonators and some cases have been registered by the state police," NTA said.

IISc devises way to purify groundwater

NEW DELHI, JUNE 12 Researchers at the Indian Institute of Science (IISc) have developed a remediation process for removing heavy metals such as arsenic and iron from groundwater.

The 2023 report of the Union Ministry of Jal Shakti has stated that 113 districts in 21 states have arsenic levels above 0.01 mg per litre while 223 districts in 23 states have fluoride levels above 1.5 mg per litre, which are beyond the permissible limits set by the Bureau of Indian Standards and WHO.

The researchers have devised a three-step plan, which involves separation of arsenic from the contaminated water using a bed of biodegradable absorbent, before the metal being taken to the critical third step — bioremediation — the process of reducing the concentration of pollutants. In the third phase, the concentration of metals is reduced. — TNS

Central armed forces aim for double-range sniper rifles

VIJAY MOHAN
TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12 To enhance their operational capability, the country's border-guarding forces are looking to induct large-calibre and long-range sniper rifles with double the range of the existing weapons.

A requirement has been projected to the Ministry of Home Affairs (MHA) that controls the Central Armed Police Forces (CAPFs) for a 12.7 mm rifle with an effective range of over 1,500 metres. At present, the 7.62 mm sniper rifles available with the CAPFs have a range of about 800 metres.

Sources said the Border Security Force (BSF) has been tasked to set up a technical committee to evaluate the 12.7 mm rifles on the basis of field trials and lay down standard specifications and qualitative requirements that meet the

FOCUS ON 12.7 MM GUNS

■ CAPFs looking to have 12.7 mm rifles with an effective range of over 1,500 metres

■ At present, the 7.62 mm sniper rifles available with CAPFs have a range of about 800 metres

■ Rifles of 12.7 mm calibre are being favoured as these increase the kill probability

operational parameters of the forces. These specifications will be a benchmark for procuring the long-range sniper rifles, which will be used for border guarding as well as counter-terror and anti-Naxal operations.

A few years ago, the BSF had inducted a small number of US-made Barrett M-95 12.7 mm rifles for use along the LoC in J&K to counter Pakistani snipers. The Army already uses different variants of 12.7 mm rifles, including the

Barrett and the Russian OSV-96. The rifles being sought by the CAPFs are required to be functional in temperatures from minus 20°C to 55°C in day as well as night in all-weather conditions with the use of optical telescopic sights, thermal imagers, spotting scopes and ballistic weather gauges.

India's ordnance factories have developed a multi-calibre anti-material rifle, Vidhwansak, which has three variants — 12.7 mm, 14.5 mm and 20 mm.

NSG to establish units in Ayodhya, Pathankot, Kerala

NEW DELHI, JUNE 12 The elite National Security Guards (NSG) will soon set up units in Ayodhya, Pathankot and Kerala, said official sources. According to sources quoted by agencies, the unit in Ayodhya is likely to become operational by August, while the other two units in Pathankot and Kerala will be up and running by the year-end.

The move will help the police and Central Armed Police Force units in capacity-building and lessen the response time for the NSG in case of any adverse situation, sources added.

The Ram Temple in Ayodhya is among the sensitive installations in India. It is said to be on the radar of various terror outfits. The sources said the new units would be equipped with latest weaponry and anti-drone technology. The decision to set up an NSG hub in Pathankot comes keeping in view the strategic importance of the border district. — TNS

IAF flew 1,750 sorties to help EC in LS poll

TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 12 Transport aircraft and helicopters of the Indian Air Force conducted about 1,750 sorties flying over 1,000 hours in support of the Election Commission of India (ECI) during the just concluded General Election.

"During the General Election-2024, substantial flying effort has taken place over the last few months by the medium lift helicopters like Mi-17 variants, light utility helicopters like Chetaks and the indigenously manufactured Advanced Light Helicopter, Dhruv," a defence spokesperson said here on Wednesday.

The IAF was actively involved with the task of airlifting electronic voting machines and deploying ECI personnel on election duties, as has been carried out during previous national and state elections.

It played a pivotal role in

Mi-17, Chetak, Dhruv transported officials, material to remote areas

extending the reach of ECI into remote corners of the country and to places where movement by road was a security concern. The task was time bound as polling officers had to be positioned at each remote polling station within two days prior to the election date and de-inducted on the day of polling.

This herculean task was achieved through close coordination with ECI and Chief Election Commissioners of various states through nodal officers in order to optimise utilisation of assets factoring security, weather, road connectivity, etc, the spokesperson added. Helicopter assets of the Army and BSF were also dovetailed into the overall plan towards the conduct of the elections.
