Column

Breaking the chip illusion

Their ideology-driven battle sounds alarms even after the long-awaited chip spring returned.

Time to reinvent our Constitution

What we must develop after the 1987 democratization is the establishment of a truly republican system.

You can't win peace with dialogue

The only thing that can help South Korea defend its peace under such volatile circumstances is the will and ability of the country.

Where are our true guardians of public funds?

i hope to see a Korean among those who truly guarded public funds by identifying disastrous populist policies.
