## Column

### You must still learn from Europe

As we are getting on a par with Europe, we must understand the foundations of those standards. Only then can we really become an advanced...

### Are they preparing for the Asian era?

If the three fail to overcome their historical conflict and differences to widen the spectrum in knowledge and experience, the world's future can become more unsettling than now.

### How to avoid the winner's curse

The Democratic Party must listen to its opponents and critics and learn to concede.
