Column

A crusade for North Korean human rights

'We are praying for Korean unification under the democratic government [of the South].'

A long way to go until achieving an 'inclusive economy'

Korea can enter the advanced ranks only when it does away with unnecessary market interventions to enable all economic agents to prove themselves through fair competition.

'Don't worry. I am still in charge'

Whether the regime collapses sooner or later, we must assume various scenarios and be fully prepared.
