

# Dispur College holds disaster awareness programme

**GUWAHATI, March 5:** Dispur College Disaster Management Cell, in association with the Directorate of Civil Defence, Guwahati, Assam, organised a day-long awareness programme on natural disasters on March 4, 2025. The programme, attended by the Dispur College Student Union, NCC,

NSS, students, and teachers, aimed to educate participants on disaster preparation.

Civil Defence officials demonstrated various earthquake-related casualties on the college campus. Student volunteers actively participated in the demonstrations, showcasing their enthusiasm and commitment to dis-

aster management. The programme fostered a collaborative environment, promoting awareness and preparedness among students, teachers, and the community.

The active participation of student volunteers demonstrated their commitment to disaster preparedness and response, a press release said.
