THE INCEPTION:

With the shift of the capital of Assam from Shillong to Dispur, there emerged a huge demand for higher education in the adjacent areas of the new capital which led to the establishment of Dispur College in the year 1978, with Sri Ghana Kanta Chetia Phukan as its founder Principal. The classes were started with the Arts Stream at Gopal Boro Govt. Higher Secondary School in the evening shift only. During the tenure of Principal Dr.Reba Kanta Hazarika,the college shifted to its present premises in 1987, at the foothill of Narakasur Hill near Ganeshguri Chariali, Dispur, in the heart of Guwahati City. The evening shift was discontinued and the classes were transposed to day shifts. The Arts Stream was provincialized w.e.f. 1st April, 1992. The College was recognized by the UGC U/S 2F and 12B in 1995-96. From the academic session 1991-92, the Commerce Stream (HS) was introduced and in the year 1994-95, an undergraduate course (B. Com) was introduced in morning shifts. The Commerce Stream was provincialized w.e.f. 1st January, 2013. Due to changing needs and demand for professional education, the college introduced BBA and BCA from the session 2007-08 and was approved by the AICTE in 2024. The College also provides a platform for open learning via the K.K. Handiqui State Open University and Centre for Distance & Open Education, Gauhati University.

From the Academic Session, 2023-24, Dispur College has implemented the FYUGP (Four Years Under Graduate Programme) in Arts and Commerce under Gauhati University which is based on the National Education Policy (NEP) 2020. The FYUGP at GU is designed to offer two types of Bachelors' Degrees to the students at the end of the successful completion of the programme- (i) Bachelor's Degree in a Stream and (ii) Bachelor's Degree in a Discipline. The word Stream here refers to Arts, Science, Commerce and Management. In case of a degree in a stream, the student studies a multitude of different subjects, usually mixing different disciplines, which leads to a truly multidisciplinary degree. While in case of a degree in a discipline, the student is confined to a certain set of disciplines.

Admission:

Admission to the FYUGP shall be done as below:

Eligibility

- A student who has passed 12th standard or equivalent examination in any stream from a recognized institution.
- Admission to the FYUGP will be based on the preference of major.
- Admission to a Programme or Major will be subject to availability of the subject and capacity of a college/department.
- No student shall be eligible for admission to a Programme in any discipline under the FYUGP UNLESS she/he fulfills the pre-requisites of courses as fixed by the university.

2. Progression and exits

The progression and exits during the whole course structure is given below.

(a) After 1 Year

One can exit just after one-year. In this case, the student will have to complete one extra Vocational / Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a Certificate. The minimum total credit requirements are 44 (and 4 credit extra for the exit Vocational / Skill course).

(b) After 2 Years

One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational / Skill course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirements are 84 (and 4 credits extra for the exit Vocational / Skill course).

(c) After 3 Years

If a student completes 3 years, s/he can exit the programme. In this case the student will get a Bachelor's Degree. The minimum total credit requirements is 120.

(d) After 4 Years

After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research. The minimum total credit requirements is 160.

It should be noted that any certificate / diploma / degree is awarded only if the student clears (i.e. passes) all the required courses (papers) till that point of time.

However, a student can complete his FYUGP within a maximum period of 7 years.

3. Student Mobility : Multiple exits and entries

The FYUGP allows students to have multiple exits and entries. That is a student can exit the programme, say after one year and then again can enter the institution as per the policy of Inter-institutional mobility Programme at a later time and can continue the programme from where s/he left. This process can be executed multiple times.

Procedures for Lateral exit

- (a) A student will get a certificate / diploma / degree on exit from the GU-FYUGP (depending on in which year the student exits), only when the student passes in all the minimum compulsory courses at that point of time.
- (b) After an exit, either after Year 1 or 2, the student can seek an entry only into the same programme to which the student was admitted.
- (c) When a student exits the GU-FYUGP after 3 years with a Bachelor's Degree, she/he cannot seek re-entry into the programme at the fourth year, rather he/she will need to take admission into the Master's programme at the first year.
- (d) As the contents (syllabi) of all the courses are subject to modification from time, when a student enters into the programme after an earlier exit, the contents of all courses will be what is as per the syllabi at the current point of time.

Procedures for Lateral Entry

The GU-FYUGP allows a student for inter-institutional mobility, both for incoming and outgoing students. For this, GU will take into account the credits a student has in his / her ABC.

For an incoming student, the following should be observed:

- (a) The entry is subject to availability of seats in the concerned discipline.
- (b) The student need to fulfil all the academic prerequisites of the concerned discipline.
- (c) Gauhati University will award a degree to a student, only when the student will have completed 60% of the credits for core courses from GU.

ABC (Academic Bank of Credits) & SAMARTH-e-Gov Suite

All academic activities pertaining to a student (including enrollment, subject selection & mapping, registration for exams, assessment & evaluation, ID generation, etc.) are conducted via SAMARTH-e-Gov Suite and linked to ABC via the APAAR ID.

The GU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earn at the end of an examination in GU-FYUGP, will be deposited in the ABC by the university.
